Dear Parents,
It's great to see your daughters greeting the new term with their usual enthusiasm. Week One is filled with new and interesting activities.
Yesterday, a group of Year 11s set off for the annual visit to the nation's capital under the guidance of Ms Jo Riccio, Mrs Josie Revesz and Mrs Ali McPeake.
Today, Year 12s begin their Trial Exams, a good opportunity to practice working under the pressure of the exam.
Tomorrow some students from Yr7-12 will take part in the Australian Mathematics Competition.

Today and Tomorrow Reception to Year 3 classes will take part in their AFL clinics
Friday will see the Reception class at the city Japanese Garden

## Important Requests for You

- I would be grateful for your attention to the date of the early Parent Meetings this term. In order that parents can reduce the number of night meetings they need to attend we have adjusted our schedule so that the next Fete Meeting and the Parents and Friends occur on the same night in Term 3. Numbers of our parents belong to both groups. This means that on next Wednesday Night $2^{\text {nd }}$ August our Parents and Friends Meeting will commence at 7.00pm sharp and the FETE Meeting will follow at 7.45pm.
- Every few years as many of our Parent convenors reach the final year of their daughter's education we lose a key number of helpers and leaders. That will be the case next year. and we are quite desperately in need of your help in 2017. Please send us an email or sign up in this bulletin that you will join a group which has a wonderful bond and a strong leadership role in the school.
 Last Saturday afternoon was a special occasion for numbers of the 2007 Year 12s who gathered for a tour of their alma mater. Deanna Daminato Head Prefect in that year was responsible for bringing together a cross section of that year's Graduates. It was a wonderful experience of reconnecting.

The Fete insert in today's Bulletin is just waiting for your signature.
Can I start by saying that we need co convenors for the Year 8 Sweets Stall, the Desserts Stall and the Afternoon Tea. You are guaranteed to have a great time, very few meetings and most of your work occurs on the actual FETE weekend! What could be better than that?

- Quiz Night: The Parents \& Friends are looking forward to welcoming you to the Black \& White Quiz Night on Friday $18^{\text {th }}$ August. See the flyer in today's Bulletin for ticketing information. Donations of prizes gratefully received via the reply slip on the back page.

## Final Request for Year 6-9 Parents

There is an online survey coming your way re Social Media. Your willingness to send in your thoughts will help us to support you. More details to follow.

Sr Jillian Havey, Principal

Students Name................................... Class ........... To be returned to the Front Office

Welcome to the new term and we hope the girls had a chance to rest and recharge, ready for a very busy and exciting Term 3.
Thursday Night Netball: This term's Thundercup begins next Thursday. We have entered six teams in the competition and are welcoming several new players to the squad. We are very grateful for the support of our parent coaches and older students who help with lunchtime training. Training times will be the same as last term. Due to the increased numbers of players per team, students will be rostered off at times. Please check your daughter's timetable carefully.
Independence Day: Thank you for your wonderful response to Independence Day. A reminder that this term, Independence Day is on a Wednesday and will begin in Week 2.
School Photos: Next Wednesday all students will need to make sure that they wear their winter uniform to school. The Reception to Year 2 classes normally have sport that day but they too will need to wear their full winter uniform instead. Please check that your daughter's hair has the correct coloured ribbons and shoes are given a polish. Family photos are at lunch time.
Twilight Assembly | Arts Showcase: We are all looking forward to next week's Arts Showcase. The girls have been preparing their class act and musical item and are keen to perform for their parents. It is expected that all students attend. Please advise class teachers if you have questions or queries. Students are asked to assemble in the Gym 10 minutes before their performance time. Reception and Year 1s start at 6:00pm. Year 2 and $3 s$ are at 6:25-645pm Year 4 and 5 at 6:50-7:10 pm and finally Year 6 at 7:15-7:35pm.
Student Engagement | PE lessons: We are thankful for all the work that Mrs Richter does to offer a broad PE program for our students. I thought I would share some of the skills and new learning experiences your daughter may have this term. The

Japan Day
The Reception class have been learning about Japanese culture and ended Term 2 with a 'Japan Day'. The girls came dressed in beautiful kimonos and participated in Japanese crafts before enjoying sushi rolls for lunch.

RREEPTON
 the Hall, they had everyone tapping along. Sammy, Anasthasia and Eze from Ghana had boundless energy as they talked, danced and drummed us through many the rich culture and rhythms of Africa. We all had a chance to try our hand at drumming and Sammy assured us that everyone had a beat inside them. The Primary School was transformed into an exciting, dynamic drumming orchestra. Thank you to Mrs Sordillo for organising such an uplifting experience for us on a cold, rainy morning.

Reception and Year 1 classes will have an AFL Clinic, participate in the Dance Footsteps program and learn skills in soccer. The Year 2 and 3 classes will learn basketball, participate in the Dance Footsteps program, develop skills in tennis and soccer and join an AFL Clinic. In Years 4 and 5 their major focus will be basketball, tennis and AFL. The Year 6 class will learn a range of skills in Sofcrosse, fitness and gymnastics.

This year's theme for NAIDOC Week was 'Our Languages Matter'. During NAIDOC Week all the Primary classes painted a rock with symbols to convey a message. These rocks then formed an integral part of our NAIDOC Week Assembly. We thank the Year 4 s who led us in this special reflection and the Year 3 s who shared their biographies on Indigenous Australians. We also thank you for your support with our fundraiser for Stomp Out the Gap at the end of last term. We raised a total of $\$ 173$.

## Netball Carnival

On the $6^{\text {th }}$ of July the Year 4, 5, 6 and 7 classes went to the Priceline Stadium to compete in the annual Primary Schools' Netball Carnival. The competition is organised into five to six rounds and all the teams preformed to their best and tried their hardest. We are very thankful to the coaches and the teachers who made this day happen! We enjoyed it very much!

WEEKLY FETE APPEALS
Each year, the Fete \& Auction accounts for over 70\% of funds raised by the Parents \& Friends Association. The continued success of this event is reliant upon the contributions of the School Community. Each week, a different Fete Stall will have an appeal for donations. We encourage you to put this letter on your fridge so that you can keep track.
All-at-Once Donations: [NB: CASH DONATIONS ONLY]
Whilst contributions of physical appeal items are to be made during the specific week they are requested, families are welcome to submit cash donations All-at-Once. This \$24 cash donation (less any \$2 appeals already paid) should be sent in with the reply slip in a clearly labelled (and sealed) envelope by Monday 14 August.
Ways You Can Help...

- Keep an eye out in the Bulletin for the WEEKLY APPEALS
- Return the monetary component of the Fete Appeal (\$24) All-At-Once by Monday 14 August
- Join a CONVENING TEAM and attend FETE MEETINGS
- Get in touch if you, or someone you know, have capacity to support Fete by way of DONATING GOODS or SERVICES for Prizes, Auction or use on the day
- Get a table together and bid at the AUCTION
- Commit TWO HOURS to a FETE ROSTER on FETE DAY

## Responsible Home Use of Social Media and Communication Devices

While social media, communication devices, and use of the internet can provide many engaging and educational opportunities for young people, when abused they can also expose children to offensive and damaging material. During College hours we provide online safeguards in the form of filtering and firm rules. Filtering exists on school owned devices at all hours. These prove to be effective and result in minimal distractions during the school day. We encourage that families also come to an agreement and set rules and boundaries at home.

## What can you do as parents to keep your young people safe when using technology?

## Parental Supervision

In the same way parents would supervise a gathering of friends in their home, it is not unreasonable to supervise who your children are choosing to communicate with, through technology use. Technology should be used in a public space within the family home. Parental supervision can assist in minimising inappropriate use of communication devices, advice on when to 'block' and/or 'report' damaging material, and provide the opportunity for meaningful discussions, if poor choices are being made.

## Age Limits, Time Limits and Taking Breaks

Reading the 'Terms and Conditions' helps with determining appropriate age limits for social media use, in particular. In most cases an age of 13 is specified. This means that your child is breaching the 'Terms and Conditions' that in many cases are governed by legislation.

Science proves that the human brain needs rest. Therefore, feeling constantly connected to the cyber world can make rest time feel impossible. You might consider having designated time slots for technology use and setting time for human interaction and rest. This means not have technology in the bedroom when it is time to rest and sleep.

## Role Model Behaviours

If you are forming agreed rules, these will be lived out if all stakeholders including parents adhere to them. Young people learn through seeing others in action. Relationships with family and friends, taking part in group activities
within the community, work, and volunteering all form a big part of making our lives meaningful and fulfilling. This is all taught behaviour and children learn first and foremost from their parents.

## Report Inappropriate Content

Many websites have a 'report/block this person' or 'report/ block this content' function. Links to report or block users can be found below:
Facebook: www.facebook.com/safety
Instagram: help.instagram.com
Google (incl. YouTube): google.com/support/go/legal
Tumblr: www.tumblr.com/help
Twitter: support.twitter.com
eSafety Commissioner
https://www.esafety.gov.au/complaints-and-reporting

## Parental Access

If you feel it necessary, you are able to implement online safeguards at home. Parental controls are available for a range of devices and allow you to limit and monitor what your children are doing online. This allows parents to limit access to damaging materials, cut access all together, or even set time limits on home internet use. More information can be sought by visiting: https://esafety.gov.au/education-resources/iparent/online-safeguards/parental-controls

Muriel Noujaim, Deputy Principal (Student Wellbeing)

Annual Brain Bee Competition: Second Round
On Friday the $23^{\text {rd }}$ of June, four Year 10 students attended the second round of the Annual Brain Bee Competition at the Adelaide University Medical Centre. The day consisted of multiple rounds to determine the individual State Winner, and Julia Pickersgill made it to the semi-finals of the Top 7 students in the State. We were also lucky enough to listen to a range of talks from neuroscientists as well as students studying the course. Overall, the day was very interesting and insightful and we would like to thank Ms. Kennedy for the amazing opportunity.

Josephine Costanzo, Isabella Haddad, Audrey Nguyen \& Julia Pickersgill - 10W

## Year 10 Knockout Volleyball

During Term 2, the Year 10 students from the Senior A Volleyball participated in a Knockout Volleyball Competition, with Mr. Grant as our coach. The competition consisted of two rounds: the preliminary knockouts, held at the Marion Fitness and Leisure Centre, and the finals, held at Brighton Secondary School.
During the first round our team developed many skills as volleyball players, playing against teams of various difficulty, and at the end of the day, winning - undefeated. This brought us to the finals, providing us with the excellent opportunity to see volleyball played at a more professional and serious level.
Even though we were not victorious, seeing volleyball played at such a high standard was an amazing learning experience for our team. We would like to thank Mr. Grant for taking the time to coach our team and ultimately providing us with the fantastic opportunity, to meet new players from other schools, and further develop skills as volleyball players.

## Round 8 - Saturday 29 July
