Dear Parents,

Our Old Scholars Mass and lunch on last Sunday had, from the very first moment, a festive spirit as a large crowd gathered to fill the Chapel and to gather afterwards in the College Hall. Special thanks must go to the OSA committee for the lunch, to the College Staff and music department for the Special Mass. We thank Fr. Alex Vickers OP. for presiding at this Eucharist at which we honoured the 800 Jubilee Year marking the formal establishment of the Dominican Order in 1216. There was much laughter and there were many memories shared, especially by the 1967 graduates.

Two generations of Old Scholars and one future scholar (L-R: Lucy Boyd, Alison Boyd-O'Reilly, and Sue O'Reilly)

As we draw closer to Sports Day please use the Bulletin map to double check your knowledge of the location of our new venue for 2016, which is **Immanuel College Morphett Road Novar Gardens**. Immanuel College are assisting us in every way with the use of their facilities. As ever we need to know that we can rely on your help so if you have not already done so please choose one of the many areas in need of help either on the stalls or on the field. One piece of advice I need to pass on is that while there is some shade on the main oval there is not as much as we experience at Sacred Heart College. If you have a large umbrella it would be a good idea to bring it along.

### Sports Day

One of the reasons St. Dominic's keeps its Annual Sports Day on a Sunday is to enable us to interact as a community together and for you our parents to be involved with your daughter's school in ways that are not possible during the busy week at your workplace.

### Special information and requests for New and familiar Parents re Sports Day

- 🏃 Did you know that there is a traditional *Mother and Daughter* and *Father and Daughter relay* in Primary and Secondary, the last event on sports day? All welcome.
- 🏃 Have you taken into account the fact that *your daughter needs to be at the Immanuel College Oval at 8:45 a.m.*? Please familiarise yourself with the map included in today's Bulletin and make note of the (morning) road closure of Anzac Highway, to ensure you are on time.
- 🏃 The **Sports Day Raffle book** are coming home this week. Please sell these tickets to friends and family. All proceeds support sporting equipment at St. Dominic's. Thanks to those who have already brought theirs in.
- 🏃 **If you can assist with transport to Sports Day** for a student who is without transport would you let us know through the reply slip in today's Bulletin? Thank you.
- 🏃 Would you consider responding to the special request from P&F Presidents Maria Lappas and Michelle Hogan re *transporting goods to Immanuel College on the afternoon of Friday 18<sup>th</sup>* from St. Dominic's? Details inside.
- 🏃 Has your daughter told you that she is able to start school late on *Monday 21<sup>st</sup> March at 10:50*? If she is not at Sports Day she comes instead to school at the *normal time*.

## Class Parent Reps

Thank you to the parents who have volunteered to be a parent rep in their daughter's class. We would still love to have more Parent Reps. Please see your daughter's teacher and they will be happy to recruit you.

**Running Club is open to Year 4/5 and 6 students.** All students attending must have the permission form signed by their parents as students will, when weather permits, run outside the school on our pre planned course. Running club was a strong force on Friday. We enjoyed good weather and it was great to have some extra parents enjoying the run with us.

## Primary Field Day

We started our program early on Friday morning as the weather was meant to be hotting up through the day. We were very pleased with how efficiently the girls moved from one event to another. A great time was had by all and special thanks to Mrs Richter who made sure everything went smoothly and all girls had the opportunity to compete in events of their own choice. Results will be available later in the week.

## Children's University

As you will be aware the applications for expression of interest for the Children's University closed on Friday the 4<sup>th</sup> of March. If your daughter had put in the application, she will receive this week a list of different clubs and activities that will be offered by the school throughout the year. She should also look on the website to see what else is available. We look forward to seeing many students actively involved in exploring learning in a variety of avenues.

Thank you to the **Year 4 Class** who did a great job of hosting this week's **Assembly**.

## Reminder dates for the diary

## YEAR 1

## Year 11 Drama visit the Reception Class

Each year, Year 11 Drama begins with a focus on voice. We undertake workshops that explore a range of vocal techniques with particular emphasis on variety. In order to perfect these skills, the girls must perform to a very captive audience; the Reception class. We spent a lesson with the class and each senior student got to spend some one on one time sharing their favourite picture books together. It was obvious that the girls; both young and old thoroughly enjoyed the experience. We thank the reception class and their teacher, Jane Delloso for allowing us to come for a visit.

## Year 10 Surfing

As part of the Year 10 PE program, all students get to experience a day down at either Moana or Middleton Beach, learning to surf. This program gives the girls a chance to try something different as well as learn valuable beach safety skills. Almost all girls managed to stand up and wished for a second day at the beach to consolidate their skills. Everyone enjoyed the day and most slept on the bus ride home!

On Wednesday the 2<sup>nd</sup> of March, Ms Hodby's Year 10 PE class embarked on an excursion to the warm, sunny Middleton Beach to go surfing. The drained and tired feeling we all felt after the bus ride disappeared when we saw the beautiful, bright blue sea and we were suddenly pumped and ready to catch some waves. After being introduced to the friendly instructors and spending what felt like hours struggling into the wetsuits, we grabbed our boards and marched our way down towards the shore. For some, who got the drift of surfing, were able to successfully surf along the waves, followed by the cheers of everyone else. But for the rest, who struggled with the process settled with clinging onto the board for dear life until we eventually drifted towards shore. Many bellyflops, haywire surfboards and litres of drunken saltwater later, we were all having an amazing time and were disappointed when it was time to part ways with the wave. Waving goodbye to the instructors, we boarded the bus, in time to get back to school and tell everyone of our fantastic experience, which would not have been possible without the great organisation of Ms Hodby and Mr Grant!

Parents of current Year 10 students are warmly invited to attend an information session about the inaugural St Dominic's cultural and service trip to Sri Lanka. The trip is planned for the April school holidays in 2017. Information was distributed to the girls yesterday during Pastoral Care.

Topics covered at the information session will include the full itinerary, the application / selection process, and costings. The theme for Project Compassion 2016 is  
"Learning more, creating change"

### Fifth Week of Lent: Sreymom's Story

Before enrolling in the Monduliri Community Health Program, supported by Caritas Australia, young midwife Sreymom lacked the practical experience necessary to safely assist childbirth. Now, with the skills and knowledge gained through the program, Sreymom is a trusted midwife who is helping to improve the health of indigenous women and children in her region.

**Please donate to Project Compassion 2016 and help healthcare workers in isolated areas of Cambodia gain vital training to improve the health and wellbeing of the region's indigenous women and children.**
