Dear Parents,

### The Dominican Jubilee Year Fete is almost upon us!

You are doing a great job of responding to this, the biggest fundraiser of the year. Take heart in the knowledge that the requests for support in time and goods is almost over! Bear with us however as we ask you to check list the final reminders!

- Art Union Raffle**
- Asian Foods** request letter
- Italian Foods** request letter
- Rose Cafe** Morning/Afternoon Tea letter
- Sweets Stall** letter request with recipes provided
- Parent Roster Stalls** still needing help please see back page for details

This week's appeal is a \$2 donation for the BBQ. Next week's final appeal is for baked items for the Old Scholars' Cake Stall and a final \$2 donation for the Desserts Stall. The **Auction Catalogue** will come home with your daughter this week.

The funds raised on Fete Day will be used to directly improve educational amenities in our school. This year we have, as always, committed significant funds to ICT across the school. Funds raised will be directed to this area of need for 2017. It is our custom also to give a significant donation from Fete proceeds to the work in Adelaide for the many disadvantaged groups run by Catholic agencies. In this Anti-Poverty Week in Australia we have been reminded of the 3 million people in our country who live below the poverty line.

### How important is the need for students to give time on Fete Day?

Our stalls are reliant upon the extra support offered by classes of students who each donate an hour of their time to the Fete in many different capacities and on all stalls. In return they are offered a **late start on Monday 31<sup>st</sup> October of 10:50am**. Any students not assisting are expected in the Conway Library at the normal time on that day.

### What are the highlights of Fete Day?

That probably depends on your age but certainly for parents you cannot go past the **Auction in the College Hall** with its marvellous gifts for

St. Dominic is off to our  
Jubilee Fete!!!

the bidding. We are very grateful to parents and past parents and those who have sourced items, some of whom do this each year. In this regard I would like to offer special thanks for the 6 premium tickets for "*Singin' in the Rain*" in December at the Festival Theatre.

**Rest in Peace:** The prayers and sympathy of the College community are extended to families in the school who have experienced the sad loss of close relatives.

To Maria Caruso in the recent passing of her beloved husband Rocco, Father of Adriana (year 11), and sons Franco and Carmine, together with the Caruso and Di Fava Families.

To the Thomas Family in the recent passing of Mr Frank Thomas after a long and generous life, Father of Rob and Vin and grandfather to Julia (Year 11).

We have also sent condolences to the community of St. Lucy's School for children with disabilities in Wahroonga NSW in the devastating loss of the Manrique family who had two children in the St Lucy's school community. St. Lucy's is one of the 7 Dominican schools which are part of Dominican Education Australia.

**PS. Please place the enclosed Fete Flyer in a very public place!**

**Sr. Jillian Havey, Principal**

# Primary News

from Ms. Cate O'Leary, Primary School Coordinator

"Every day is not a good day but it is important to look for the good in every day."

**W**elcome to Term 4. Whilst we weren't greeted with sunshine on Monday there were lots of smiles from children and parents to warm us up. Every term seems busy but 4<sup>th</sup> term is always very hectic. There are many learning opportunities inside and outside the classroom, celebrations, class and whole school gatherings to look forward to.

## Casuals for a Cause Day

Our casual clothes day on the last Friday of the term raised \$245 for our *Vinnies Appeal*. Thank you for your support for this very worthwhile charity.

## Traffic Management

You should have received the letter regarding the traffic restrictions this week. Please remember that *you are considered local traffic* and are able to access the area.

## Independence Day

Thank you for your positive response to our Independence Day initiative. This term it will be on a *Tuesday beginning Week 2*. If you listen to reading or help in the classroom on an Independence Day, come in, let your daughter be independent and carry out the tasks she normally does in the room.

## Uniforms

We have a uniform and it is very important that all students wear it well. *Please check the correct days* your daughter should be wearing her **sport uniform**. Year 6 students are only allowed to wear their sport uniform to school *if* they participate in Friday morning *Running Club*. On *all other occasions* this term, they will *need to change when they get to school*. We are now in our summer uniform and on the first day back it was easy to see who has grown since Term 1. We forget how quickly children grow. There were several short dresses. Please check that they are of an appropriate length. I remind you that the **blazer is to be worn to and from school if you are wearing a jumper**. If your daughter is not wearing her uniform correctly a note will be put in her diary/communication book and we ask that you sign it.

## Baby News

Briony Pauley's daughter Rachel, gave birth to a gorgeous healthy girl, Neve Leah on the 5<sup>th</sup> of October. Mother and baby are doing well and Nana Briony is absolutely besotted. A very happy time for them all. The Year 1 class, will no doubt get a daily blow-by-blow account of her progress, funny moments and achievements.

## New Purchases

We have purchased two new **table tennis tables** for the outside classroom. They are already getting a heavy work out. We will be organising a 'fairness' roster. We also purchased a **basketball ring and base**, height appropriate, for the junior classes to use.

## In and around the classrooms:

Last term, the Year 4 class studied Captain James Cook. First, we brainstormed rich questions to investigate and then began our research using the internet and books during RBL lessons. The students made notes on each of the main areas of his career and used these to write a biography. They then created a powerpoint or poster to share with the class. By the end of the term, they were experts on the finer points of his life, with particular interests in his family and his death! To support our work, we also visited the Maritime Museum to explore the artefacts and undertake an iPad challenge.

Here are some facts you may not know about James Cook:

James Cook wasn't the first man to find Australia. He claimed the east coast for England. - *Isabella Bondza and Annabel*

Captain Cook had a wife called Elizabeth and he had 6 children. - *Jasmine*

He was murdered by the native Hawaiians. - *Emma C*

The Hawaiians stole one of his boats, so Captain Cook kidnapped the chief and then the Hawaiians killed him and got the chief back. - *Emily*

Here are some of our discoveries from our trip:

I enjoyed exploring the boat that the early settlers might have sailed on. It looked very uncomfortable for them. - *Alia*

We saw James Cook's actual chest which he would have taken on voyages. - *Natasia*

I learnt about an Aboriginal man called Bungaree who helped the English sailors communicate with the Aboriginals. - *Willow*

## Children's University

All passports have been audited by the CUA and we have 20 students graduating on *Thursday the 10<sup>th</sup> of November*. Graduating students will have a briefing and gown preparation at 12pm on Monday the 24<sup>th</sup> October at school by Dr Luca Prisciandaro.

## Parent Engagement

Are you a budding artist or have creativity or maybe you are good at washing brushes? If want to help in the planning and painting of some art works for the Primary School come along to a **brief meeting this Friday at 8:50** in the *Red Room*.

## Bon Voyage

We wish safe travels to the Mackay family, as Dad will be a visiting academic (Adjunct Professor) at the University of Nice Antopolis Sofia for the rest of this year. The family will also have the opportunity to travel to Italy, Spain, Switzerland, England and France. Victoria will spend time in a school in Nice and continue her French lessons.

SOUTHERN CROSS  
CULTURAL EXCHANGE

## BRING FRENCH CULTURE TO LIFE !

Why not volunteer to host an international student from France next year? We have a small group of delightful French students coming to Australia for 10 weeks to immerse in local culture, experience our schools, sports, environment and lifestyle. All students speak excellent English, have their own spending money, cover all school expenses, and we arrange all aspects of their program. It's fun and interesting to help these young people achieve their Australian dream.

*If you'd like know more please email your interest to [rl@sce.com.au](mailto:rl@sce.com.au)*

## HOST FAMILY OPPORTUNITIES JANUARY 2017

### EXPERIENCE A NEW CULTURE • MAKE NEW FRIENDS

In January 2017, students aged 15-18 years from over 25 countries will be arriving for 3-10 months.

Opportunities exist for volunteer host families to welcome an exchange student on a temporary, short or long term basis. This is a great way to learn about another country and culture, establish a lifelong links and contribute to international goodwill.

**If your family can offer a friendly, supportive and caring home environment, contact us today.**
