WINTER UNIFORM IS WORN IN TERM 2

Friday morning mass in
the Chapel 8.15am

Dear Parents,

Millions of Christians around the world are journeying towards the most sacred days in our Calendar, as we enter into the meaning of Jesus' Last Supper, his journey to the cross of Calvary, and his Resurrection on the third day.

Your St. Dominic's daughters, both primary and secondary, are challenged, according to their age, to reflect on the meaning of Easter, and the love of God revealed in Jesus for each and every one of us. Yesterday Fr Charles Gauci proclaimed John's Gospel at our Holy Week Reconciliation for Years 7 – 12. Please join with us in spirit by reading it. You might also like to open a conversation with your daughter about its significance in understanding the essence of Christianity. Ask them if they remember what they were told about the grubby feet which Jesus had to wash.

John 13:3-5, 12-17

During supper, Jesus, knowing that the Father had given all things into his hands, and that he had come from God and was going to God, got up from the table, took off his outer robe, and tied a towel around himself.

Then he poured water into a basin and began to wash the disciples' feet and to wipe them with the towel that was tied around him.

After he had washed their feet, had put on his robe, and had returned to the table, he said to them, "Do you know what I have done to you? You call me Teacher and Lord—and you are right, for that is what I am. So if I, your Lord and Teacher, have washed your feet, you also ought to wash one another's feet. For I have set you an example, that you also should do as I have done to you."

A Successful Family Sports Day

You are wonderful parents, and this is always shown when, despite the fact that you would like to be taking it more easily on a Sunday morning, you gather your children and make your way down Brighton Road to the Sacred Heart College oval for the annual Sports Day.

After an anxious early 10-minute shower, we managed to keep to a well-structured Sports Program, as organised by our PE staff, from start to finish. There was plenty of enthusiastic action on the track and at the ball games, for all ages, from the 5 year olds through to the 17 and over. Congratulations to Captains, Vice Captains and loyal members of the teams.

As you know we acknowledged at the close of the Sports all those who helped in any way to cover the hundred and one things that need to be done in preparation for this big event. Our stalwart behind the scenes person Kathryn Hudson deserves another round of applause as she puts it all back in place. To our Parents and Friends and to all who helped in any way on the field or on the stalls or as providers of food and drink – THANK YOU. All the results are published in today's Bulletin as well as the lucky winners of our Sports Day raffle.

Primary News

from Ms. Cate O'Leary, Primary School Coordinator

Early Sunday morning the strong wind and rain, certainly made me dig deep to find my positive thoughts and Growth Mindset attitude of: *we can do this!* While the wind remained, the sun slowly made its presence felt and we carried on. We really did have a very good day. All the teachers and students put considerable time into the preparation of each event and were rewarded with enthusiastic student effort and attitude in all events. We also had an excellent, supportive parent body who gladly volunteered to help with the games, the convening of stalls and a big thank you to those kept us well fed. We also thank the many who work behind the scenes at these school events: Mrs Heggs spent the whole day recording placings of individual and year level points and to Mrs White and Sister Heiu who helped support Junior Primary. Thank you to all our Primary families for returning all Raffle Books before Sunday.

SAPSASA State Carnival

Last Thursday Hannah Cameron, Alyssa Tran, Morgan Hillman, Bree Copeland, and Isabelle Tran attended the SAPSASA Swimming Carnival. All students need to be congratulated on their excellent performance and dedication. Many early morning trainings and the considerable support from their parents have helped prepare them for these events.

Morgan finished 11th in the U/11 Butterfly

Bree swam an impressive personal best in the U/12 50m Freestyle Relay

Isabelle finished 14th in the U/13 Breaststroke, Freestyle and Backstroke

We particularly congratulate **Hannah** and **Alyssa** who qualified for finals in their respective age groups amongst a very competitive field:

Hannah made it through to the final (top 8) of the U/13 Breaststroke, finishing in 6th place

Alyssa made it through to the final of the U/11 50m Backstroke finishing in 7th place and came 9th in the 50m Breaststroke

Last Thursday I was fortunate to represent North Adelaide Districts at State Metro Day and had fun cheering on our friends from our zone and other Adelaide zones. I was very excited to make it through to the 50m breaststroke final.

SPORTS DAY

The Year 5 and 6 Ballgames with our theme being the *Winter Olympics* and some of the girls entered the relay and 100 and 200m events. Everyone cheered loudly and it was a fun experience.

Our new students and families enjoyed it. We did marching for the first time and it was so much fun. - **Isabella Bondza and Ella Coombe Yr 6**

This was my first Sports Day and I enjoyed it. My favourite part was the flat races and I came second. The ball games were fun too. - **Jessica T Yr 4**

We played lots of games and I loved the game called *Put out the Fire*. Our team came third in the Ballgames. I had a great day. - **Kloe Quinn Yr 2**

Parent/Teacher Interviews

Thank you to all parents who quickly signed in and made an appointment using our new online Parent-Teacher Interview booking system. Last night's meeting was well attended and we look forward to seeing more parents at next Wednesday's Parent-Teacher Interviews. It is important to communicate and celebrate your daughter's successes and growth points and then set goals for Term 2. If something unforeseen happens and you are unable to attend that evening please contact this out of hours' number 0409 206 205 (for school interviews only) and a message will be given to the teachers.

Reminders:

Holy Thursday the students are having a **bread roll for lunch** as we collectively contemplate those who are a lot less fortunate than us. Please check that your daughter has brought in her \$2.

Normal finishing time this Thursday.

Week 10 Assembly will be hosted by our Year 3 Class. All welcome. 2:30pm in the Hall.

Easter is the most important time in our liturgical calendar and it is a time for reflection, renewal and new beginnings. We hope you all have a happy, safe and Holy Easter and you are blessed to share it with those who bring joy to your life.

Harmony Day

Wednesday 21 March 2018

Harmony Day is a celebration of our cultural diversity and a day of cultural respect for everyone who calls Australia home. Our College community includes a diverse enrolment profile and we are extremely proud of this and celebrate this frequently, not just on Harmony Day.

On Wednesday 21 March, some teachers chose to integrate Harmony Day activities within lesson time, while SRCs also ran an activity with their home class. This meant that each student was able to decorate an orange girl or boy stencil and they also were asked to include words that unite humanity. With these, SRCs decorated their classroom doors and the sea of orange doors helped mark the day's celebration of diversity and inclusion.

You CAN do something about it!

SAPOL Road Safety Information Night for Year 10 Parents

Tuesday 3rd April | SDPC Library | 6:20pm for 6:30pm start

Please refer to the letter sent home with your daughter for more information.

"EVERYONE BELONGS" That's the Harmony Day message which the Year 3 class embraced as they immersed themselves in orange and various Cultural activities last Wednesday.

We were fortunate to have Amanda and Tola come in and share their cultures with us. The Year 3's are now experts at Italian Sauce Making and Nigerian drumming and dancing!

Tania Piotto, Year 3 Class Teacher

The drumming with Tola was really funny and funky. We did drumming with her. It was so much fun. - **Emma**

On Harmony Day, the Year 3s got to dress up in orange. We got to try these delicious Nigerian Jolly Balls and Chin Chins. - **Piper**

When we were making and eating the spuds I thought they were Spud-a-liscious! - **Faridah**

We did a sand mandala that we enjoyed because it was peaceful. - **Trina**

My favourite was eating pasta and learning how Amanda and her family makes the sauce. I loved eating the pasta so much I had seconds! - **Clare**

I learnt asking for more food is a good way of saying it is good in Italy! - **Briana**

I enjoyed doing the activities and I liked trying new foods. It was a fantastic day. - **Nathalie**

In and around the classrooms:

The Year 6 class have been in training to become guides for the upcoming Guided Tours. In the process they have had to learn a lot of new information about the school and about significant landmarks in the school grounds..

I learnt that the Conway Library was named after Mother Mary Vincent Conway, a teacher here in the 1960's and 70's
- **Alexandra Chavez**

I learnt that the St Dominic Statue is a time capsule
- **Annabel Griffin**

I learnt that the Drama Room was once a dining room
- **Ayo Adejoro.**

YEAR 6

Traffic Management

on Barnard Street

The staff and many parents try very hard to safely streamline the movement of students leaving from school in the afternoon but all of us need to make a consistent effort to have the safety of our children paramount.

Some concerns from neighbouring residents need to be addressed and effectively acted on:

1. **Vehicles blocking driveways** (i.e. double parking) in a way that is not immediately visible to a reversing car
2. **Vehicles pulling directly in to a driveway** as a resident's vehicle is attempting to reverse
3. **Safety of students running across the road** or running ahead of parents and then crossing driveways with reversing cars
4. **Definitely no U turns outside a school** or 3 point turns in the school driveway

Adelaide City Council Parking and Information Officers and the Eastern Adelaide Police will issue expiations to any vehicles contravening these rules. Please be mindful of your own behaviour around schools, whether in relation to where you park or the respect shown to those trying to ensure pedestrian safety – **you are our children's greatest role model.**

Made for Greatness Student Leaders Gathering Thursday 15 March 2018

On Thursday 15 March 2018 the 'Made for Greatness' Student Leaders Gathering was held at St Ignatius Parish Hall. The Student Leaders program aims to support schools in building the leadership capacity of our young people. The program has a Catholic foundation and complements the nurturing of leaders that schools already provide. Five of our students attended this gathering.

Muriel Noujaim, Deputy Principal (Student Wellbeing)

Chloe, Lily, Kellie, Phuong and I were lucky enough to attend the **Young Christian Students (YCS) Leadership Conference** in order to communicate with other schools and their different approaches to leadership. Leaders

from *Blackfriars, Cabra, Sacred Heart* and many other schools were there to share their ideas. Thalia Sully (Adelaide YCS Coordinator) was there to give us a few tips and share her methodology; **see, judge, act**. We all were inspired by this idea of seeing a problem, judging the situation and acting on what needs to be done. Reflection was also a key point in this process as we need to reflect on our actions and reflect how we affect others. We are extremely excited to bring back the knowledge we learnt from the afternoon and apply this to school life.

Sports Day turned out to be a great day after the initial shower of rain and the St Dominic's school community joined together to make it another great community event at the Sacred Heart complex. An amazing day that is completely prepared and run by volunteers. We were very grateful to all of the volunteers who assisted on the day to make it such a success.

Catering for the day ran smoothly thanks to the tremendous effort of the convenors, who provided sustenance for the community with the assistance of many enthusiastic helpers. Thank you to all who donated their time to help out on stalls on Sunday and in the days and hours prior to the big day. Also a big thank you to the parents and businesses who donated the goods for use on the day. Well done to those who came early to set up, stayed late to clean up, or who spent hours slaving over a hot BBQ, cutting up the fruit for fruit salad, preparing the Vietnamese salads, making coffees or serving the large crowd that was present. Your time and team spirit made all the difference.

To the convenors of our stalls, we extend our special thanks for donating hours of your time on the day, and in many instances, many hours in the lead-up to the event.

Each year we put aside some time to reflect on the previous year, in a bid to consider any worthwhile enhancements that might result in the event being just that little bit better, but most of all to ensure that it continues to be an enjoyable time for all. A great deal of thought and effort is contributed by many parents and staff and we would welcome any new feedback either by contacting us direct or by your attendance at the **next P&F Meeting on Wednesday 23 May**.

We extend a **very special mention** & a huge thank you to the following:

- **Loretta Lighezzolo** from the office for assisting at the bbq and doing dishes amongst other jobs!
- **Danielle Nicolas:** who updated and collated the volunteers and produced all of the signs for the day and many other jobs!
- **The Parents** who stayed on stalls – some all day to assist so that everything ran smoothly.
- **Mark Hawkins and Carl Todman** for transporting the Cool Room.
- **Blackfriars Priory School** for the use of their trailer.
- **Kathryn Hudson, Michael Hogan, John Drousas, Tim McManus, Sean & Louise Carlier and Mario Lappas** for assisting with the transporting and unloading of goods to and from the venue to the school at the end of the day.
- **Michael Hogan, Brendan Bentley, Tim McManus, Mario Lappas & Terry Callahan** for assisting with the pack and clean up at the end of the day.

On behalf of the P&F, we would like to extend our gratitude of thanks to the fantastic office staff, **Loretta, Danielle, Lina, Helen and Noreen** for help with bulletin notices, the raffle, sorting messages, collating the rosters, and putting up with our many phone calls and interruptions: To **Gavin & Michael**, the school's behind-the-scenes workers, thank you for your help in packing & unpacking the big trailer with all the many items required for the day. We would also like to acknowledge **Sr. Jillian and Muriel Noujaim** for all their support, along with all the Sports Department staff for organising a very successful day.

An extra special mention goes to **Kathryn Hudson**, who spent many hours gathering our provisions together in preparation for the big day, and has the mammoth task of sorting through what has been returned.

To anyone else we may have accidentally forgotten we thank you!

Huge Thanks to the BBQ A-Team

What a fantastic day we had on Sunday but of course this success would not be possible without the amazing support we receive from the dedicated parents and helpers who gave us their valuable time on the day. There are too many to mention in person, but please accept our most sincere gratitude for your time and effort – you are all superstars! Thank you to those parents who stayed longer than allocated or just came up and lent a hand when they saw we were busy. Many thanks once again.
- **Mark Hawkins & Scott Coombe**

Asian Food Stall

A big thank you to **Lucky Asian Groceries** in Kilburn and **Air Lounge Coffee & Tea House** for their generous donations to the Asian Food Stall, and all the mums and dads who help to prepare foods. We also welcome **Wendy Luc** as the new co-convenor.
Trinh Tran & Thuy

Cake Stall

Thank you to everyone who baked delicious homemade goods for the cake stall. We had the most outstanding selection of log cakes, little cakes, biscuits, slices and many more. The stall looked amazing and we sold everything! Thank you also to all those who volunteered to help on the stall; it would not have been such a success without all your assistance and it would not have been as much fun without your company.
Kate Jensen, Cathy Haddad & Jacqui Griffin

Cappuccino

Exceptional help from Kumar Deut (Guest lecturer from Tafe – organised by Juliana Rotellini) Juliana Rotellini, Shaiju Ann, Marcs Gunson and Rina Wilmore. Thanks to everyone that assisted in what turned out to be an extremely busy stall due to the cold weather. **Mario & Maria Lappas**

Fruit Salad Stall

The fresh fruit and yoghurt continues to be a crowd pleaser. As always we must acknowledge and thank the generous donation of the entire fruit supply by the Schinella Family of **Schinella's, Prospect**. Thank you so much to the parents who assisted on the day, especially **Raegan Johnson, Phillipa Jacobs** and **Bec Copeland** who arrived early to help cut up all of the fruit. **Liesl McPeake**

Ice-creams

A sincere thank you to all the parents who volunteered for the ice cream stall at Sports Day. Special mention to **Sandra** and **Emma Foti** who gave up their time this year to help me out and did a fantastic job! Sales were steady despite the weather and we hope to see all our wonderful helpers at next year's Sports Day. **Irene Drouas**

Drinks | Memorabilia | Morning Tea

Thank you to all the volunteers who helped with the sales of drinks, morning tea and memorabilia stalls. The scones, as gratefully supplied by **Bakery on O'Connell**, were a particular hit! **Gabby Stradling, Rod Jensen, Kate Haskey, Deidre Kelly, Enza Belperio & Tina Grasso**

Transportation, Set-Up & Clean-Up

We are very grateful to all who transported, dragged, dropped, packed, sorted, moved, lifted, shifted or gave of any of their time to help get Sports Day up & running both prior and on the day. For those still half asleep at 7am Sunday morning, we could not have done it without you to help set up the stalls and oval. To those with weary feet, and tired arms and legs at the end of the day your help was so much appreciated to get everything back the way it was, and everything back to school. Well done to all of you.

PS: Congratulations to AQUINAS for a well-deserved win!
