WEEK 10 – TERM 2

Facsimile: 8267 4877

Web Site: www.stdominics.sa.edu.au

Dear Parents,

"One picture" they say, "is worth a thousand words." This week's Bulletin photos capture the essence of the beautifully staged 2018 production of "*Peter Pan*". I have heard from so many of those who attended about just how much they enjoyed it. The energy and obvious commitment of the cast communicated the story and its characters to maximum effect. The dancing sequences were stunning. Everyone, whether lead characters or members of the ensembles, did their part. The rapid and professional scene changes speak highly of the backstage crew. Front of house and publicity, sound and lighting were equally professional. The students know that they were in the fortunate position of being in the hands of an outstanding Director Ms Victoria Sayner, her highly skilled assistant Jessica Spagnuolo and the imaginative staging skills and commitment of David Curran, recently retired member of the SDPC staff. Many other staff members supported this production and their names also appeared on the program.

Lions Youth of the Year

Congratulations once again to Tessa Tranthim-Fryer, and to another Year 11 Entrant Dania Alkhazrajy, in last weekend's Lions Youth of the Year Quest. Both students were excellent competitors and Tessa gained the distinction of being best speaker on the night and the overall winner of the Athelstone Club entrants.

Holiday Projects

- Year 12s will be focussing on the upcoming test preparation during the break but they will also we hope have time for rest.
- My request to parents relates to the winter skirts many of which are looking tired and ready for a clean.
- Thanks for your support of the winter Chocolate Drive. The boxed chocolate frogs have gone home and we hope that you will be able to share them with others. Sincere thanks also to those who have chosen to donate rather than accept the chocolates.

Last Day of Term is a special day for obvious reasons. Included in the events is a major end of term Assembly at which we will welcome two representatives of organisations who work in special ways for the community. A dentist from "*Mercy Ship*" will come to receive a cheque from the 2018 Gala Day fundraising. *Mercy Ship* takes health professionals into many disadvantaged places around the world where their services are given freely. Closer to home are the North Adelaide Prospect St. Vincent De Paul group who will offer thanks to our community for their contributions to the Winter Appeal.

Have a good holiday everyone.

Sr Jillian Havey, Principal

Primary News

from Ms. Cate O'Leary, Primary School Coordinator

There is no elevator to success, you have to take the stairs.

Whether it is rugging up for a day in **Antarctica** in the Year 2 classroom or being present at a **banquet** with the Year 4 class dressed in Medieval costumes and classroom transformed into the Great Hall of Camelot, the excitement from the children is worth the effort. All these experiences can't be done without considerable hard work and enthusiasm from the class teachers. They offer a diverse range of opportunities for our students to become engaged in the curriculum in fun, adventurous ways.

The Reception Class will enjoy **Japan Day** on Thursday while the Year 4, 5, 6 and 7 classes participate at the **Netball Carnival**.

We have come to an end of another busy term and thank the teachers, staff and many parents who have helped support our girls with their learning and extra-curricular activities.

Reports and portfolios/folders will go home on Friday and so we ask you to have a look at the work your daughter is doing and discuss their learning with them. The mornings are very busy times and so if you have any queries about reports, we ask that you make an appointment. The teacher/s concerned will see you as soon as they can to discuss any issues with appropriate privacy.

ARTS SHOWCASE: Tonight we are again excited to be hosting in the Hall, our **Twilight Arts Showcase**. We again remind families that they need to be punctual. Due to time constraints, we will not be able to wait for students. Please take your daughter to the Gym and then you will need to go to the Hall.

Uniforms: Please use the time in the holidays to check that uniforms fit appropriately and are labelled, shoes are cleaned and hair ribbons - only black or navy blue - are purchased if needed.

NAIDOC Week: During **NAIDOC Week** we celebrate the indigenous people of Australia and we are committed to recognition, rights and reform for all Indigenous Australians. In the Primary School we will celebrate through reflection, song, poetry and stories, this special occasion by coming together on Friday for a short Assembly.

We thank the many parents who have generously donated to the **Vinnie's Winter Appeal**.

We hope that you all have a safe and happy holiday with your families.

STOP the Press!

It's a **BOY!**

Congratulations to Mr Byron Mortimer and his wife Lou on the safe arrival of their first child, **Maes Mortimer de Booij**. He was a healthy weight and length - 3.37kg and 51cm. All doing well.

Medieval Day in Year 4

For Medieval Day, the Year 4 Class dressed up in Medieval clothes. There were *knights, peasants, lords, ladies, princesses, witches* and even a *dragon!* The day started off with our parents visiting our classroom and looking at our wonderful work. We decorated goblets for our feast later in the day. The next task was to dress a barbie knight in armour (al foil!). Then we had a little quiz, recorded by Alissa who is away in Italy, before we had recess. The hardest part of the day was learning a medieval dance from Cara from Footsteps. The highlight was the huge banquet which we washed down with a glass of mead (apple and blackcurrant cordial).

In and around the classrooms:

Bridge Walk Monday 25th June

We went walking to see four bridges. We sketched with our buddies. My buddy's name is Ines. - **Izabel**

It was a sunny but cold day, great for walking I sketched a beam bridge. It is a pedestrian bridge. It was made of metal. - **Hannah**

Our Year 5 buddies came on our excursion to see some bridges with us. My Nanny came along to help. I like sketching the bridges. - **Lucy**

We found an arch bridge. I pretended to be the troll from the story *The Three Billy Goats*. I scared my buddy Danica. - **Sophe**

YEAR 1

Antarctica Explorers Day in Year 2

The atmosphere was exciting and the work was fun. We had to wear thick warm clothing suitable for the Antarctic. We went pretend fishing and had fish fingers and chips for lunch. Our tables were turned into snow mobiles, research base camp, Aurora Australis and Mawson's Station. I liked being the captain. We had to find 16 Chin Strap Penguins. It was an awesome day.

- Clara, Eliza and Amy Year 2

We congratulate all our students for their hard work and dedication to their studies this semester, and acknowledge the following students who received awards

St Catherine of Sienna - Academic Award Reception

Nimah Gandhi; Year 1 Anna Akbari;

Year 2 Bianca Jovel; Year 3 Sienna Truong;

Year 4 Judy Joseph; Year 5 Lyana Huynh;

Year 6 Alexandra Chavez

Veritas Award

Reception Grace Cutri; Year 1 Leah Cremer

Year 2 Aria Sordillo; Year 3 Briana Phan;

Year 4 Lauren Schar; Year 5 Annemarie Pileggi

Year 6 Olivia Jensen

Arts Award

Reception Scarlett West; Year 1 Adele Nguyen

Year 2 Eliza Donnellan; Year 3 Latika Calbert

Year 4 Lily Donnellan; Year 5 Estella Rauda

Year 6 Willow Rann

We are very grateful to Steven Travers from AIIA [Australian Information Industry Association], who generously donated padded chairs for our Red Room learning space, round white tables and virtual reality glasses. We would also like to thank Teof and Flora Rodrigues for giving up their time to pack up and deliver our new goodies.

SPORTS NEWS

SAPSASA Hockey State Championships

Annabel Griffin, Annie Kretschmer and Lucy Johnson represented North Adelaide District at the SAPSASA State Hockey Championships at West Lakes recently.

The girls had an amazing week, exhausted after 10 games but happy. North Adelaide ended up placing 2nd in Division 1 (runners up to East Adelaide), which was an incredible achievement! Congratulations, girls!

Round 7 Results ~ Saturday 30 June

Badminton

Junior A/B 1 *lost* to NMHS 1 (0-6)

Junior A/B 2 *lost* to Marryatville 1 (0-6)

Senior A/B 1 *def* St Dominic's 2 (6-0)

Senior A/B 2 *lost* to St Dominic's 1 (0-6)

Senior B *lost* to Mary Mackillop 1 (0-6)

Senior C Red 1 *def* St Aloysius 3 (6-0)

Mental Health and Wellbeing of Young People

Below is list of support services on offer to young people. You will find contact information by the way of telephone numbers and websites. Sometimes young people need expert support and these reputable agencies are in place to provide specialised information and advice to young people and their families.

Muriel Noujaim
Deputy Principal (Student Wellbeing)

GENERATION NEXT

Beyond Blue: 1300 22 4636

Support line, online chat and forums as well as youth-focused website with videos, apps and quizzes with information about depression, anxiety, self-care and how to support peers.

<https://www.youthbeyondblue.com/>

Drug Info

Free information about alcohol, drugs and prevention of related harms.

<http://www.druginfo.adf.org.au/>

headspace: 1800 650 890

Free phone and online counselling (eheadspace) to young people going through a tough time. They also have resources and factsheets available, and you can find a centre near you by searching on their website.

<https://www.eheadspace.org.au/>

Kids Helpline: 1800 55 1800

Free phone and online counselling service for young people aged 5-25.

<http://www.kidshelp.com.au/teens/>

Lifeline: 13 11 14

Free phone and live online chat support for people who are overwhelmed and having difficulty coping or staying safe.

<https://www.lifeline.org.au/Get-Help/Online-Services/crisis-chat>

Livewire

Online community for young people living with a serious illness, health condition or disability to blog and chat.

<https://www.livewire.org.au/>

National Cannabis Information & Helpline: 1800 30 4050

Free information and help for anyone struggling with cannabis addiction and accompanying mental health conditions.

<https://ncpic.org.au/helpline/>

myCompass

Online, interactive self-help service to promote resilience and wellbeing, as well as manage anxiety and depression.

<https://www.mycompass.org.au/>

ReachOut

Apps, online forums, factsheets and resources to navigate key issues for young people, including alcohol and drugs, relationships, stress, anxiety and depression, bullying and sexuality.

<http://au.reachout.com/>

Relationships Australia

Free counselling and self-help resources in relation to relationships, domestic violence, gambling and sexuality.

<http://www.raq.org.au/services>

R U OK?

Conversation starter tips if you're worried about a friend.

Around the World with French
Friday 15 June

On Friday June 15th the Year 8 French Classes ‘travelled’ the world, visiting some of the, more than 40, countries where French is spoken in the world.

Well, sort of!

Actually, the classes prepared stalls at which these countries, and their vital statistics, were on display. Each student was issued with a ‘passport’ and they ‘visited’ the different countries, had their passports stamped and found out about the different places where they can speak French - beyond France. There were also yummy foods and drinks on offer for the ‘tourists’.

Bravo to the two Year 8 French Classes for their excellent organisational and presentation skills! The students ended the day very aware of how French really is a global language!

Ms Liana Bosco, Teacher of French

Eddie Woo Workshop
Tuesday 26 June

On Tuesday 26 June, a group of girls from various year levels traveled down to Sacred Heart College to participate in a Mathematics workshop run by one of Australia’s most celebrated Maths teachers and local hero, Eddie Woo. Eddie explained to us why we should engage in Mathematics and how much Maths relates to real life. He described Mathematics as *teamwork, a story and play* and convinced us:

“What books are to reading, play is to Mathematics.”

Throughout the workshop, we played a series of problem solving games and found that there were patterns behind these games that we would have never thought existed. Some of these games included ‘*Index Noughts and Crosses*’ and ‘*Looping Numbers*’. Eddie is devoted to helping others with learning and has expanded children’s learning with his channel *Wootube*. Eddie has an infectious love of mathematics and we all enjoyed our time with Eddie. We learnt something that drove him to his success which inspired us too: Never give up.

Grace Willmore 9B

Year 12 Language Students
Vacation School 2018
Wednesday, July 11th
8:30am - 4:00pm

- Chinese • Italian • French • Japanese
