### The St Dominic's Fete and the new Year 12 Centre

Dear Parents,

### We urgently need you to gift your time on FETE Day

Term 4 got off to a good start and it was very good to see your cheerful and focussed daughters ready for the weeks ahead. There is a great deal happening in these first two weeks. While Year 12s come to the end of regular classes and move in to revision mode, we also prepare for the 2018 FETE.

I would understand if you feel that you have been asked often for your support of the weekly Fete appeals. **The big gift you are now asked to give us is that of your time on Fete day** or, on the set up the day before. Nearly every stall is looking your way and you cannot, I think, appreciate just how much an hour or two of time helps us on the big day. Please take note that 99% of stalls are still in great need of your presence on the day. Thanks to parents who have sent in some wonderful donations for the Auction. We are still happy to receive! Your filled Art Union Raffle books coming in with your daughter are also much appreciated. Tonight the generous band of parent convenors are coming together for the final Fete meeting before the big day.

### Congratulations

Yet again, Jessica Hogan has managed to combine her commitment to Year 12 studies, with some amazing dancing results. During the holidays, Jess participated in the Irish Dancing National Championships in Cairns and came second runner up National Champion. Hope to see you dancing at the Fete, Jess!

By next week the builders, Mossop Constructions will hand over the completed building site and surrounds to the College. You can see as you pass by just how beautiful the site looks. While we still need to wait for furniture and fittings it won't be long before 74 Hill Street will be an active part of our campus and the first Year 12 classes will take up residence! A successful Fete will help us to bring in the new furniture which, as home owners well know, is expensive.

**Electronic Gates:** An new initiative which will carry over to the new site are the electronic gates which are now operational on our campus. Please read carefully inside the Bulletin the instructions which give you the times of opening and closing. The primary purpose of the electronic system is the safety of students.

### Community Service Music Project

A wonderful project took place at the end of last term as a combined initiative of the staff of Helping Hand residential care facility in Molesworth Street, a group of residents with dementia, Adelaide University Medical students, and a group of Year 9 students from St. Dominic's. The "drivers" of the project were, firstly, Old Scholar and Adelaide University Med student Shanna Lee, and, on our campus Genevieve Taheny Liturgy Coordinator. The aim of this project was for the students to engage with the residents in small groups and to focus with them on the development of a play list which would give residents the opportunity of recalling good days of listening to their favourite music. The media have picked up on this story and there will be a segment on ABC 891 on this Thursday at 3.20 pm.

# Primary News

from **Ms. Cate O'Leary, Primary School Coordinator**

Welcome back to our final term for 2018! We would like to congratulate our Year 5 class for their excellent presentations, at their Night of the Notables evening. They all worked very hard to deliver well-rehearsed speeches and the evening was enjoyed by all.

## Sacraments:

Please keep in your prayers Ivana Dojcinovic and Sofia Vuksan from Year 2, who made their First Reconciliation and Communion in the holidays, in their parish St Patricks.

## Hand around the classrooms:

We have been reading *The Shop At Hooper's Bend* in the Year 4 Class. This book has sparked some great discussions, especially about right and wrong. There was also a great deal of debate about the structure of the book and the ways the author kept our interest. Here are some of our reflections:

'The magic which was mentioned in the blurb could have come earlier in the book. I like the way she told the story from different characters' points of view.' - **Isabella Lee**

'I like how Quil gave people star groups according to their personality,' - **Tam**

'Sometimes it was tricky keeping track of all the characters.' - **Lilli**

'Often good books have a slow beginning before they get really exciting in the middle and end,' - **Victoria**

'The mystery kept me wanting to read the book.' - **Judy**

'Emily Rodda writes detailed descriptions of the settings so I can picture it in my mind.' - **Montana**

'When the fire started, the book got really exciting.' - **Hannah**

'I like the way the unimportant people became more important later in the story.' - **Harper**

'I like the clues she put into the story and that's what made me want to keep reading.' - **Lysha**

**YEAR 4**

## My Highlight for Term 3...

...Was having our great **art lessons with Sister Hieu** and I am looking forward to doing harder work. - **Gracie [Rec]**

...Was having our **singing lessons** and I am looking forward to doing creative tasks and plays. - **Nicole [Year 1]**

...Was our **India Showcase** night and doing the dancing for our parents and I am looking forward to learning about toys and making them for sharing. - **Clara [Year 2]**

...Was **Pirate Day** because it was fun pretending to live the life of a pirate and I am looking forward to going back to helping hand and seeing my resident. **[Year 3]**

...Was our **Travel Agency** because I learnt a lot about Scotland and other parts of Europe and looking forward to Pyjamas Day because it sounds like so much fun. - **Emmerson [Year 4]**

...Was the **Night of the Notables** because I was able to learn all the specifics of a notable Australian. The night was scary but rewarding. I am looking forward to Zoo Snooze sleepover later this term. **[Year 5]**

...Was the **Catholic Schools Music Festival** and I am looking forward to Camp because there are lots of activities to do. - **Isabella B [Year 6]**

## Year 4 Travel Agency

It was with great excitement that the Year 4 Class arrived at school on Tuesday of Week 10, dressed in their smartest corporate attire. After a term of researching, writing, filming, discussing and editing, we were finally ready to present our work to our families. Each team of 2-3 Students had become experts on a country and had the goal of persuading their potential customers to book tickets with their company to their location. There were photos, trailers, graphs, speeches and even tasty treats, all designed to entice. The girls presented themselves professionally and all managed to sell their holidays successfully. It was wonderful to see the students responding to questions and managing to engage all their customers from Reception to grandparents. Well done, girls.

**Mrs Kirsten Maycock**

## Gates and Site Security

During the holiday period, we completed some updates to the campus. These included the installation of electronic gates around the perimeter of the College.

As we prepare to connect the existing site with the new Year 12 Centre being built across the road on Hill Street, it was decided that this would be an appropriate move to maintain site security.

Gates will automatically open in the morning from 7am. Supervision of students within the College grounds remains unchanged as follows:

- Reception - Year 6: from 8:30am
- Year 7 - 12: from 8:20am

**During the school day, all gates will be closed from 9:00am - 3:00pm. Access into the College during these times will be via the College Reception at 139 Molesworth Street.**

### A friendly reminder:

The **Barnard Street driveway** is intended for authorised vehicle access and deliveries only. It is not intended to be used as a walkway. To avoid any accidents, please do not use this driveway as a drop off/pick up point for students.

There is a dedicated gate on Barnard Street for student drop offs and pick-ups in the Primary School.

With thanks,

**Muriel Noujaim**

**Deputy Principal (Student Wellbeing)**

## Think Pink!

*There is one more exciting event coming up this Friday, 19 October that the SRCs have organised. October is breast cancer awareness month and we're holding a 'Pink Day' at the College to raise funds and show our support in the fight to cure breast and gynaecological cancers.*

**our support in the fight to cure breast and gynaecological cancers.**

### How can students show their support this Friday?

- There will be delicious pink food and drink on sale during recess and lunch, ranging in price from \$1 - \$3.
- Students are to arrive and leave school in **correct uniform**, but once at school all students have the option of changing into pink socks for the school day, along with wearing a pink ribbon/wig etc... in their hair.
- Students in Rec-Year 6 will receive detailed information from their class teacher about their involvement.

We encourage all students to THINK PINK and source some pink socks and a pink hair ribbon. We hope students will be prepared to raise awareness, eat some yummy pink treats and have a lot of fun! All proceeds will be donated to the Cancer Council.

On Wednesday, Week 10, a group of students participated in a friendly netball match against fellow Dominican school St Mary's College. This was the final game of the year to finish off Dominican Cup matches previously played against Cabra and Blackfriars.

The girls fought hard, unfortunately not coming away with the win this time, but played in the spirit of the game!
