**WEEK 2 – TERM 4**

**Facsimile: 8267 4877**

**Web Site: www.stdominics.sa.edu.au**

Dear Parents;

We are just about ready to open the gates on the biggest annual community and fundraising event at St. Dominic's. Thanks to the generosity of so many of you over past weeks, and your involvement this coming Saturday and Sunday, we are in an excellent position for a really good family day. By now you have received from our school secretary your acknowledgement of the time and stall which will have your support. We are very grateful for your support.

Please bear with these final reminders. Stall convenors can only rest easy if they know that you will be at their side!

- The **Cake Stall – CAKES** would be gratefully received in the Hall on Fete day or left at school on Friday. Please note our request on this front page for baked goods from yourself or a member of your extended family. **THANK YOU VERY MUCH.**
- **Afternoon Tea Stall:** If you are a parent in **Years 11 or 12** then cake/scones etc. are still "the go," but your product goes to the success of the **Afternoon Tea Stall**. Your kind donations can be left in the **9B classroom**.
- **FETE Raffle:** The success of the **FETE Raffle** with its excellent cash prizes is key to the overall financial result. Please return all books by Friday.
- **Live Auction:** This year's Live Auction will be complimented by a bumper **Silent Auction**. Doors open at **11am**. The Silent Auction catalogue will be published on our **Facebook event page** tomorrow, with hard copies going home via your eldest daughter in past days and again today. It will also be available at the door on Fete day.
- **Entertainment:** Please note that this year's Fete has a wonderful line up of Bands, Dance, and Strings at several locations during the day. (See back page)
- **Late Start Monday:** I'm sure that your daughters will remind you that there is a **late start to school** on next Monday morning. Classes begin at 10 minutes to 11 a.m. Any students who are here at normal time because they were not at the Fete will be supervised in the Library. No student has permission to be in the city before school in our uniform.

**Good Wishes** to our Year 12s as they complete their formal classes on Friday in preparation for exams and the finalisation of assessment tasks. We will pray with them and for them at their final Year level Mass on Friday morning.

**Traffic and Parking in North Adelaide:** The Adelaide City Council is developing a long term strategy for managing traffic and car parking in North Adelaide. It would be very good if parents put their views forward in order to maintain a manageable degree of parking and perhaps some adjustments in our favour. Please go online and register in order for your views to be heard: <http://stdo.ms/2eDWoQY> or collect a hard copy from either the **Primary Office** or **Main Front Office**. The deadline is this Tuesday, 1 November.

**Sr. Jillian Havey, Principal**

St. Dominic is off to our  
Jubilee Fete!!!

### Calling all MASTER CHEFS! Does your Kitchen Rule?

Please let us know by tomorrow, via the reply slip here, what baked goods we may expect delivery of (and when).

In order to ensure dietary needs can be catered to, we ask that all items have an ingredient label attached (see back page).

Thanking you in advance...

### Baked Goods Donations

I am intend to supply ..... for the Cake Stall.

Name ..... Student's

Name/s: ..... Class(es) .....

I will make delivery of my baked goods:-

☐ **Front Office FRIDAY**

☐ **Hall (cake stall) SUNDAY AM**

# Primary News

from Ms. Cate O'Leary, Primary School Coordinator

"If 'Plan A' didn't work the alphabet has another 25 letters. Keep calm and think of other solutions."

## Fete

We are very excited in the Primary School about the upcoming Fete. The weather will hopefully be promising and we are busily setting up our areas for the various stall holders. We look forward to seeing you there. The **Classic Treasures Stall** are grateful for the donations. They would still like some more toys so it is not too late for a very quick clean out of the toy cupboard. Place them in the basket outside my office. Please remember that it is a **late start on Monday morning**.

## Move up Day

We all enjoy 'Move Up Day'. This year our Reception to Year 6s classes will move up on the **11<sup>th</sup> of November**. Students will move to their 2017 class after the 8:30 bell until recess. They will quickly unpack and move to their next year level and will need to be ready to start the day at 8:50am.

## Parent Engagement

Several parents were unable to come to the 'Art in the Primary School' meeting on Friday morning, due to work commitments. If you want to help with some artwork for outside areas, give me a call or pop into the office and we would love to add you to the list. The weather is warming up and we are keen to get started.

## Traffic Management

We are currently responding to an **Adelaide City Council Traffic Survey** and will express our concern regarding the practicalities of parking in Barnard Street and the need for a longer 'Kiss and Drop' area on Barnard Street to help for a safe and smooth student exit.

## Spring Poetry Competition

On **Saturday the 29<sup>th</sup> of October**, 5 of our primary school students, *Molly Copeland, Willow Rann, Emma Smith, Morgan Smith, Eliza Donnellan* and *Magdalene Dinos* are **finalists** in the **Spring Poetry Competition** and will attend the launch of the *Poetry Festival*.

## Important Events

**Loud Shirt Day** is **Thursday the 3<sup>rd</sup> November**. You should have received a letter outlining the day. The *Reception and Year 3 classes* will decorate a scarecrow for the garden and all classes will be involved in a range of activities that help support an understanding of hearing impairment.

**Twilight Assembly** is Week 6, **Tuesday 22<sup>nd</sup> November** - note to follow

## What's happening in Year 3...

Today we visited **Helping Hand Residential Aged Care Facility** for the second time. Due to the excursion being on the "worst storm in 50 years" day last term, we had to postpone our visit to this term. Today we shared our work about the way life has changed over the years or stayed the same. After our term 3 interviews, we used the information they had given us to create a brochure based on them and also on the information they gave us about Change and Continuity. We will also visit on two more occasions this term to play games with our residents and to also do an art and craft activity with them.

We've just finished our unit about Pirates and enjoyed **Pirate Day** at the end of last term, when we all took on a pirate name and had fun in our 'classroom ship' for the day.

I liked making the ship in the bottle and eating the cupcakes at recess. – **Ella Brave Beardless Buccaneer**

I loved the fish and chips and for the whole day we had no work! – **Isabella**

I liked dressing up. – **Alyssa**

I loved the treasure hunt and the food and it was fun the whole day. – **Annabel**

I loved Pirate Day so much I couldn't stop talking about it. – **Lyana**

## Did you know that...

- Pirates wore earrings because they thought it would improve their eyesight
- Some women pirates were extremely powerful
- A pirate is a robber of the sea
- Captain Blackbeard's real name was Edward Teach (he was the most feared pirate of all)
- There are modern day pirates
- Buccaneers used a special kind of sword called a *cutlass*.
- The Year Threes earn pirate coins (called *doubloons*) for good work and good behaviour and can trade these in for prizes!

## Year 3

**Year 4 Morning Mass** on **Friday the 4<sup>th</sup> November**. This Mass is a special celebration for the students in Year 4 who have made their first communion this year.

**Year 6 Graduation**, Week 7, **Wednesday 30<sup>th</sup> November** - note to follow

# SPORTS NEWS

## Round 1 Results - Saturday 22<sup>nd</sup> October

### Basketball

Junior C *lost to* St Michael's 2 (33-52) Senior C (2) *lost to* Nazareth 2 (10-30)

Junior C (2)	St Ignatius	8:30am	St Ignatius 3

## National Youth Science Forum Orientation Day

The National Youth Science Forum is a two week stay in Canberra to experience the cutting edge of research and development in our chosen STEM area. On the 18<sup>th</sup> of September, following our selection, we attended the NYSF Orientation Day. We had the pleasure of listening

to various physicists and attendees of previous Forums so we could be inspired and ask as many questions as possible. 32 lucky students who have interests in STEM, including ourselves, from all around SA, introduced themselves and we started upon our journey to the NYSF. This event made the January sessions one step closer and we cannot wait!

Cassandra Cornish and Naomi Gamage

## ANCQ Results

The Australian National Chemistry Quiz is a unique education activity that provides a major focus for secondary school students on the relevance of chemistry in an exciting and stimulating way.

In July, 33 students across Year 11 participated in the 2016 Quiz. We congratulate our **Credit** and **Distinction** winners here.

## TUCKSHOP

### Week 3 Wednesday Hump Day Specials

#### Baked Potatoes \$6.00

with Bacon, Cheese, Coleslaw + Sour Cream  
OR Bolognese sauce, Cheese + Sour Cream

Please ensure **LUNCH ORDER BAGS** are **CLEARLY LABELLED** with your daughter's **NAME** and **CLASS**

**ADVANCED NOTICE:** Towards the end of term, some choices on the Tuckshop Menu - especially drinks - will be out of stock. When placing orders, it may be a good idea to list a second preference.

## SCIENCE 50:50

INSPIRING YOUNG WOMEN INTO SCIENCE

### FLINDERS UNI AURORA PHOTO CONTEST

STEM: Women Branching Out is offering  
3 x \$1000 prizes to the top three entries in their photo contest  
and 3 x \$500 prizes to winning school/science teachers

*The contest is open to female students in years 11 and 12 in SA*

Submitted student photos will be judged on how they relate science to their life or to modern world/culture. Photos require a title and a brief explanation (200 words or less) sharing the meaning behind the photo or why they chose to represent science through their photo.
