Dear Parents,

I hope that you were able to join your children in some of the relaxing non-school days of the past two weeks. A special welcome back to staff who are returning after leave viz., Deputy Principal Curriculum, Rita Shepherd, and from the LOTE department, Mary Zora.

We have opened the door to a full and interesting Term Two. There is something significant for every one of us to contribute to this term's educational opportunities at St. Dominic's. Special events include: Parent Teacher conversations, NAPLAN Tests, the community's GALA DAY, the upcoming winter sports, the school drama production of *Peter Pan*, Mass for the Vinnies, the Parents and Friends Quiz Night, and much else besides. And, as you can see, across the road the construction of new Year 12 Centre at 74 Hill Street has well and truly begun, bringing to birth some long held dreams of the future for a school which, in its turn, has given so much to the life and fabric of North Adelaide since 1883.

### A Patroness for Term 2

**Who better than Dominican St. Catherine of Siena whose Feast Day we celebrated this week. In a Catholic College for girls, Catherine offers young women a powerful example of a person who put her faith in to action. She was a woman who loved God and chose to come close to God in Jesus Christ. She understood in her everyday life that the only way of showing this love of God is to love the neighbour. An internationally renowned Dominican writer and speaker on Catherine's life and significance, viz. Sr. Mary O'Driscoll OP, puts the gifts of Catherine to the world in this way.**

*Although she was a prolific writer, Catherine did not receive any formal schooling and she learnt to read only after she became a Dominican. However, Catherine was a remarkably intelligent and perceptive person with a retentive memory. Her learning came to her through oral sources, through the Liturgy, through the preaching of the Dominican Friars and through the*

*conversations she had with the theologians who were among her followers. She is an example of the principle that any person genuinely trying to live the Christian life, who has an active faith and a reflective attitude can do theology. In declaring Catherine of Siena, Doctor of the Church in 1970 Paul VI recognised this principle.*

### Remembering Ray Romaldi

Our prayers and sympathy are extended to the Romaldi Family in the recent passing of Mr Ray Romaldi. St Dominic's is one of many schools in Adelaide that had the good fortune to be connected with Ray Romaldi, who was also a past parent and grandparent at St. Dominic's. He was one of nature's true gentlemen and a pioneer in the construction industry. Ray played a significant part in the developments large and small on our site from the late 70s through to the mid 90s, and we grew to know and to respect his integrity and craftsmanship. When he was working on our sites he would be there very early in the morning, the first person preparing for the day ahead. He was always interested in the school community and always ready to help you solve the problems along the way. He was a man with a ready smile. His final major project for St. Dominic's was the upgrading and creation in 1995 of large spaces in our former Convent building to become Drama and Music spaces, Year 12 facilities, a Staff area and an Administration centre. Thank you Ray. Rest in Peace.

My mum was surprised by all the detail we put into our postcards. - **Isabella**

### MYP Policies

Last year the Curriculum Management team began the process of reviewing the policies that were written in our infancy as an IB MYP Candidate School. Now that we are an authorized IB MYP school, it was time to look at the policies afresh. In Term 1, staff were involved in providing feedback on at least one of the four policies below:

- Inclusive Education
- Assessment and Reporting
- Language
- Academic Honesty

The policies are available online: <https://stdo.ms/Policies>  
Please take some time to read them through. An abridged version is also published in your daughter's College Planner.

### Sr Mary Anne Memorial

On Wednesday 11 April, the 2017 9W Class (Sr Mary Anne's last homeclass) met to plant flowers which will form part of the Sr Mary Anne Memorial. These flowers are a mix of Sr Mary Anne's favourites.

The artwork is also taking shape and your daughter/s may have mentioned seeing its progress in the Art Room. When completed it will be a great addition to the Art Courtyard and a beautiful reminder of our dear Sr Mary Anne.

### Year 10 CSI Road Safety presentation

Wednesday 4 April 2018

On the 4<sup>th</sup> of April 2018, two police officers visited our school and talked to the Year 10s about road safety. They touched upon Newton's Laws and showed us the safety ratings of cars that people tend to drive today. I really enjoyed it as I learnt a lot about how to stay safe whilst driving and, also, how to stay safe whilst being driven by others. I would definitely recommend this presentation for the Year 10s next year! - **Vy-Viviane Nguyen 10W**

The talk made me aware of the potential dangers on the road and how I can prevent them. I liked the talk because they used real life situations from their own life as examples and also provided photographs, animations and videos to further prove their point.

- **Samantha Valerio 10W**

I now feel more prepared when going to get my license, and buying my first car as I will now make sure I choose the safest option for my passengers and myself. The driving simulator was very entertaining, and showed us how easy it is to get distracted on the road.

- **Jasmin Dominic 10W**

## Gala Day 2018

Our annual Gala Day will be held in the second week of this term: **Friday, 11<sup>th</sup> May**. This day is an opportunity for students to take part in some fundraising for charities and to some extent for student amenities within the College. It is also a day of relaxation, eating, drinking and enjoying the entertainment provided by the Games Stalls, Fashion Parade and Talent Quest.

Money raised at the 2018 Gala Day will go towards the work of the following organisations:

- **Share the Dignity** - a Homeless Women's Charity
- **Hearts Kids** - dedicated to supporting children, teens and adults affected by congenital/childhood heart disease all across Australia
- **Dare2Dream Foundation** - assisting projects and programs to aid the most underprivileged children and adults in India
- **Mercy Ship Australia** - using hospital ships to deliver free, world-class health care services, capacity building and sustainable development aid to those without access in the developing world
- We will also sponsor a number of children to attend the **Christmas Party for Special Children**

The **2018 Gala Day Theme is Childhood/Disney**.

Students are encouraged to dress as something from their childhood that puts a smile on their face, or to come dressed as their favourite Disney character. The possibilities are endless! We look forward to seeing what creative and low cost ideas students come up with.

**\*\*Parents are advised that students are asked not to hire elaborate costumes for this event. The idea is to have fun and dress up in simple and creative ways.\*\***

On the day, each class will hold a Food or Drink Stall, and/or a Games Stall. In addition, all students can enter the Fashion Parade held in the Hall. This is followed by a Talent Quest, with students from Reception to Year 12 taking part.
