## WEEK 5 – TERM 2

Facsimile: 8267 4877

Web Site: [www.stdominics.sa.edu.au](http://www.stdominics.sa.edu.au)

Dear Parents,

**Reconciliation Week** is a time for remembering the unique history of the Adelaide Plains region of South Australia first settled thousands of years ago by our enterprising indigenous sisters and brothers of the Kurna Nation. Not far from St. Dominic's, on the northern edge of the Torrens near the golf course, is the site of the first Indigenous school "Pilta Wodli" or "Possum House" where, educationally, black and white races met in harmony in the early unpredictable years of colonial settlement. Supported by Aboriginal Elders, two German Lutheran missionaries opened a school for Kurna children in 1839. The Lutheran missionaries not only learnt the language of the Kurna nation but published an extensive work list grammar and collection of sentences of the language. They sent to Germany some of the first documents written by aboriginal children in South Australia in their own vernacular. Senior Kurna Elder Uncle Lewis O' Brien writes about this:

*These are kids "off the street" showing that they could read and write in their own language in a very short time'. About his own family Lewis O' Brien writes: 'My great great grandmother had to earn the right to marry her husband in 1848 because she was the first Aboriginal woman to marry a white man. She had to learn to read and write in English in three months and they call her the 'educated woman.' She taught her husband to read and write and he came from England so you can see this contradiction. The colonisers look at us, these funny little people that live simply... there's a contradiction to that. We live simply but we weren't simple people. We're rather complicated.*

Back here in a place called St Dominic's, not far from Pilta Wodli, is a school which also serves students who are also keen to learn. The facilities of former times have utterly changed as you well know. Right now **we are looking to you for some moral and material support as we provide the funds to expand our site but also to engage with you in the educational process.**

**Relationally, and supportively come along and be involved in**

- 1) Tonight's Careers Expo at Blackfriars.
- 2) This Friday night's Quiz Show - \$12 per ticket.
- 3) Next Tuesday night's ONLINE SAFETY PRESENTATION
- 4) Next Wednesday night's Number One Fete meeting for the year at 7.30pm with a 7:00pm Pizza tea for all who would like to partake.

### The Year 12 Formal

Firstly, I would like to pass on the comment of our external photographer at the Playford last Saturday night. The photographer made the comment to a staff member that St. Dom's girls are the most polite he has ever experienced as they all say, "thank you" after a photo. He said it happened last year as well. Our students and staff would agree that this is not special but just good manners, nevertheless appreciated by him.

The photo on this front page was taken at the Formal. In the background are the Head and Deputy Head Prefect who led the Prefects group in the planning of the Formal. Well done to Lily Bentley and Chloe Edmonds and the Yr 12 Prefects. In the foreground is Year 12 French International Exchange student Lise-Hélène Rabiet who endeared herself to our community and has just returned to France. She is holding the farewell card from her classmates.

Farewelling Lise-Hélène Rabiet  
at the Year 12 Formal

**Sr Jillian Havey, Principal**

# Primary News

from Ms. Cate O'Leary, Primary School Coordinator

'When you can't find the sunshine be the sunshine.'

## Student Engagement

We look forward to **Asia Week**, where all classes will be engaged in activities to develop and extend their knowledge about the geography, animals, arts, culture and customs of, specifically, Indonesia. The week will culminate with art activities, a shared lunch and a special performance by Pilangi Nusantara dance group. Thank you to all the parents who have already sent in \$2 donations and to those who have offered to help organise Friday's shared lunch. We ask that you please be at school at 11:30 and **remember that all food must have the ingredients listed.** We are also grateful to the Morkunas family for providing us with many Indonesian artefacts for our foyer displays.

This year we have entered two teams in the **Da Vinci Decathlon** which was held at St Peter's Girls School on Tuesday and Wednesday this week. The **Year 5/6 team** are: **Victoria Mackay, Tina Le, Alexandra Chavez, An Do, Cecilia Nguyen, Jasmine Sewart, Olivia Jensen and Willow Rann.** The **Year 7 team** are: **Tam Bui, Madeleine Dungey, Lucy Johnson, Jiya Joseph, Isabella Jovel, Livia Truong, Alessandra Romeo and Isabelle Tran.** We would like to thank Mrs Maycock, Ms Rodrigues, Ms Osborne, Mrs Baker, Mr Noble, Miss Ward and Mrs Shepherd for their assistance during familiarisation sessions.

The **Da Vinci Decathlon** is an academic interschool day in the spirit of an Olympic Decathlon. Students work to a timeframe in teams of eight; completing a series of tasks across the following disciplines: **Mathematics, English, Science, Code Breaking, Engineering Challenge, Forensic Sleuths, Creative Producers, Art and Poetry, Ideation, Cartography, Games of Strategy and General Knowledge.** The tasks are exciting and challenging with a particular emphasis on higher order thinking skills. The day offers students an opportunity to test their capacity to critically think, make quick accurate judgements to problem solve and to respect the intellect of others through teamwork.

We will publish results and photos in next week's Bulletin.

## 2018 Maths Olympiad

On Wednesday 23<sup>rd</sup> May 26 students from Years 5 and 6 sat the first of five tests in the 2018 Maths Olympiad. The Olympiad is run by the **Australasian Problem Solving Mathematical Olympiads.**

The *Australasian Problem Solving Mathematical Olympiads (APSMO)* is a not-for-profit organisation that offers a range of mathematical competitions for students aged 8 - 14. The programs focus on the students' ability to solve problems in a creative manner - as opposed to simply reaching a solution using a prescribed method.

The APSMO Maths Olympiad has been operating in primary schools since 1987 and in high schools since 2003. Each year thousands of schools participate in the competition from around Australia and New Zealand. The main aims of the competition are to:

- Introduce important mathematical concepts
- Teach strategies and develop flexibility for problem solving
- Foster creativity and ingenuity and strengthen intuition
- Stimulate enthusiasm and enjoyment of mathematics
- Provide the satisfaction, joy and thrill of meeting challenges

**Thursday Night Netball:** last week we had three very confident wins and one narrow loss. They are competing fairly, learning new skills and enjoying the games. A reminder that training for the Year 5/6 and Year 4 teams will be at lunchtime on Thursday.

**Assembly:** this week's assembly was hosted by the **Year 1 Class.** They were confident and entertaining and we also thank the parents who were able to attend.

## Parent Engagement

Last Friday morning our **Reception Class** held a special liturgy for their mothers. They led group and individual prayer, shared why they loved their mums and sang *I Have a Family* and *More Than Enough*, beautifully. After the liturgy, mums and daughters had a mini mummy makeover. Our students usually share their reflections, however today we have some thoughts from mothers who attended:

'A beautiful celebration' - **Felicity Eaton**

'A very special day and it was lovely. Thank you.'  
- **Loriana Ciccozzi**

'It was a lovely liturgy and I'm very proud of Lily and all the girls.' - **Bianca Benassi-Evans**

'An emotional experience. It is good to spend this special time together. I am very thankful.' - **Usha Agarwal**

## Quiz Night

Have you bought your tickets to the Quiz Night? I have and am looking forward to popping on my fluro outfit and reliving some of those memorable 80s moments. It is an important community building event and an enjoyable experience. Tickets are available from the College Office or online: <https://stdo.ms/Quiz18>. Hope to see many of you there.

**In and around the classrooms:**

The Year 6 class have started making soup for Fred's Van as part of their unit on Christian Discipleship.

**Emma F:** It was good to know we were making soup to help other people have a warm meal.

**Isabella L:** It was fun working together in our house group to make the soup.

**Jasmine:** We thought the soup tasted very nice.

**YEAR 6**

the *Carly Ryan* foundation.

# Online Safety Presentation

Presented by Sonya Ryan, CEO

## St Dominic's Priory College

Tuesday 5 June 2018, 6:30pm

College Hall

For Year 5 - 12 Parents

Please RSVP by Friday 1 June 2018

### The presentation explores

- Social media
- Sharing your information online
- Protecting your privacy
- Sexting
- Image based abuse
- GPS enabled devices
- iPads & adolescents
- Online gaming
- Cyber bullying
- Mobile phone apps
- Carly's Law

Additional Information & resources

[www.carlyryanfoundation.com](http://www.carlyryanfoundation.com)

Creating a positive experience online for all Australian families.

### Parent Engagement

*In 2017, you may remember completing a survey which focused on;*

- o Parent engagement with Social Media
- o Student engagement with Social Media including how many hours per week
- o How parents discuss and set boundaries per their daughter/s Social Media use
- o What further information parents seek about safe, responsible and respectful Social Media use and how they wish to receive it.

The data obtained from this survey helped to inform the school of ways in which parents are seeking support.

To support parents with the tools to keep their children safe and promote responsible home use of Social Media and Communication Devices, we are fortunate to welcome guest speaker Sonya Ryan to give an **Online Safety Presentation to interested parents with daughters in Years 5-12.**

Sonya will also be delivering safety messages to all Year 8 and 9 students at this College. This supports topics being explored in the Pastoral Care Program at each year level.

**Muriel Noujaim,  
Deputy Principal (Student Wellbeing)**

### Online Safety Presentation - REPLY SLIP

I/we will attend the Online Safety Presentation at 6:30pm on Tuesday 5 June

## Colours of Impressionism Pt 1

masterpieces from the Musee D'Orsay

Over the past week, the Year 10 French and Year 11 and 12 Visual Arts classes were fortunate to visit the 'Colours of Impressionism' exhibition at the Art Gallery of South Australia; viewing the masterpieces exclusively on loan from the Musée d'Orsay in Paris from two distinctly different educational perspectives. In this week's Bulletin, we feature a Year 11 Visual Arts reflection:

Visiting the "Colours of Impressionism Masterpieces from the Musee D'Orsay" is a definite must for all art enthusiasts. The Black to Light theme of the gallery made the Year 11 and 12 art students stop in awe and admire the different styles and textures seen in each piece, along with the bold choices in colours used by famous French artists, such as Claude Monet and Johan Barthold Jongkind. I learnt a lot about lighting, texture and colour. We were also fortunate to take some time to view at the art works from the "Divided Worlds" and look at eye-opening contemporary art. Two hours was not enough to explore the art gallery and the beautiful pieces it had to offer.

Anna Nguyen, Year 11 Visual Arts [Design]

## Run Your Own Business

Year 10 Commerce

Last week the **Year 10 Commerce students** had the opportunity to work in groups and run their own business for a day. The students prepared a business plan whereby they researched what products they were going to provide. They had to market their products, look at the logistics involved in running a business, prepare financial statements and review how the business performed. There was an assortment of sweets available at the **Baked Goods Stall** which included *chocolate chip cookies*, *cup cakes* and *caramel slices*, as well as *Eton Mess*, *brownies*, *spiders* and *Krispy Kreme donuts*. The **Savoury Foods** were also popular with the girls selling a variety of *pizzas* and *toasted sandwiches*. A fun time was had by all, with many students acknowledging how much work is involved in running your own business. The girls raised **\$766.15** in profit which will be donated to the **Vinnies Winter Appeal**.

Well done girls and thank you to everyone for your support!

Mrs Tina Caruso, Year 10 Commerce Teacher

Our Lady of the Sacred Heart Church  
420 Seaview Road, Henley Beach

### Living Waters Prayer Group

every 2nd Wednesday of the month

Rosary 7:00pm | Mass 7:30pm

### St. Vincent de Paul Society

Good Works

### 2018 Winter Appeal

Now accepting donations of

Winter Clothing

two Non-Perishable Food Items (per student)

## Gala Day Update

At a recent SRC Meeting, student leaders needed to decide how the \$6821 raised from Gala Day would be shared. The results are as follows:

**Hearts Kids** will receive \$1350 - supporting children, teens and adults affected by congenital/ childhood heart disease all across Australia

**Dare2Dream Foundation** will receive \$1371 - assisting projects and programs to aid the most underprivileged children and adults in India

**Christmas Party for Special Children** will receive \$300 - giving children with special needs the opportunity to enjoy a day just for them

Again, thank you to all parents, staff and students, particularly the Student Representative Council, who worked tirelessly behind the scenes to make Gala Day 2018 a success. At our end of Term Assembly, we are hoping to have one or two of the recipients come to speak to students about how the money raised will be used.

**Mercy Ship Australia** will receive \$1350 - using hospital ships to deliver free, world-class health care services, capacity building and sustainable development aid to those in the developing world

**Share the Dignity** will receive \$1350 - a Homeless Women's Charity

**St Dominic's Priory College** will receive \$1100 - Upgrading student amenities within the College that have served this community since 1884.

Muriel Noujaim, Deputy Principal (Student Wellbeing)

## State Netball Championships

Congratulations to **Elise Rauda** (Year 7) who was selected in the *North Adelaide District Netball team*. Elise will be participating in the State Netball Championships at Priceline Stadium this week. Good luck Elise

## Knockout Netball

On Thursday May 24<sup>th</sup>, St Dominic's Priory College hosted round one of the Knockout Netball Competition against Marryatville Primary School. The first quarter saw some excellent passages of play and accurate shooting by our goalies Alessandra and Elise. Marryatville had a narrow lead at quarter time which grew as the game continued. The girls demonstrated persistence, team work and excellent sportsmanship. They were beaten by a taller, more experienced team on the day. The final score was 35-18. Well done girls!

**2018 Knockout Squad:** Alessandra (C), Madeleine (C), Elise, Poppy, Isabelle, Livia, Isabella LC, Isabella B, Bella B, D'arby, Ella and Jasmine.

The theme for this year is:

**'Don't Keep History A Mystery: Learn. Share. Grow.'**

Please consider some action to make this week significant in solidarity with Indigenous Australia, as Reconciliation Australia invites everyone to learn more about Indigenous cultures and histories. Only through sharing of stories and experiences, can an understanding be formed, so we can grow as a nation.

National Reconciliation Week 2018 has many viewing resources on its website, which we have encouraged students to access: [www.reconciliation.org.au/nrw/](http://www.reconciliation.org.au/nrw/)

Look out for events taking place in your local community and get involved.

**Muriel Noujaim, Deputy Principal (Student Wellbeing)**
