Sunday's Old Scholars' Mass

Dear Parents,

Last Sunday's OSA Mass and Morning Tea was as special as ever. I am always reminded as we pray and sing together in our beautiful Chapel of how much we owe to our forebears who chose to establish St. Dominic's Priory College and Chapel to begin a tradition which survives strongly today. The tradition is one of friendship, of respect for those who have passed on the values we share. What we learned about life and human nature as students in this Dominican school is as enduring as the studies which took us to life beyond the school environment. Sincere thanks to OSA President Annie Pfeiffer, to the members of the OSA Committee, and to all who worked behind the scenes to offer hospitality. Special thanks to the Choir and to Mrs Courtney Day whose contribution was of such a beautiful quality.

Educating Year 12s in 2019

The education sector and the health sector are central to development in our State. St. Dominic's is part of that dynamic and ever evolving service sector. Thanks to its foundation by the Dominican Sisters from Staffordshire the College has been able to contribute to education of Primary and Secondary students here in North Adelaide for the past 134 years not only those from within the Adelaide city and suburbs but in its history many country boarders as well.

Since 2014 eleven Colleges and Institutions in North Adelaide have engaged with the City of Adelaide Development Plan Amendment consultations looking to the future for our sector. On 30 May 2017 the amendments to enable colleges to

have the right to legitimate expansion were gazetted with the approval of **Minister John Rau**. The Adelaide City Council lodged an appeal against the expansion rights with the Environment Resources and Development Committee of Parliament (ERD). St. Dominic's Priory College put forward its views in favour of the right to some expansion. The final results of the DPA are still to be determined.

Thanks to Minister for Planning John Rau, using the legitimate rights of the Minister within the planning Act, the College has been granted the use of its property at 74 Hill Street and 112 Barnard Street. Despite the delays which have plagued the project, it is likely that it will be complete for the 2019 school year ready for the current Year 11s. Many of you driving along Hill Street in the morning or afternoon will see a fine new centre of learning take shape.

Capital Development costs. The Year 12 Centre is a \$3.3 million dollar development. We hope that you our parents will be right behind us in your support of the Capital Development Levy and of the fundraising activities which help to supply the educational facilities your daughters deserve.

Coming home today is the **Sports Day Raffle Book**. Its funds directly support the provision of sports equipment at St. Dominic's. Please do your part. Thank you.

Sr. Jillian Havey
Principal

Parent Engagement

With **Sports Day** just around the corner we are desperately seeking more primary parents to help on the day. There are quite a few stalls that still need hours covered. An hour of your time would really help. Here is the link to sign up:

<http://signup.com/go/SPVJzJJ>

Sports Day Raffle: the eldest in the family will receive a raffle book today and we encourage you to sell them.

Student Engagement

Our **SRCs** have been busily working away at recess and lunch meetings this week, making badges and posters which will be given to classes tomorrow to mark the importance of **International Women's Day**. The Year 5 and 6 SRCs have been reading over the PA, snippets from the lives of women who have broken stereotypes and challenged boundaries.

Primary Field Day

This Friday our Year 4, 5, 6 and some Year 7s who are under 12 will have the chance to participate in the following field activities: *shot put, high jump, discus, hurdles and long jump* and will be held on our school oval. The 800m will be run at 8:00am Friday morning. Each event they enter will earn valuable points for their team. Recess and lunch will be at our normal times. **Your daughter will need her sports hat and her water bottle.** The event will be postponed to Friday the 16th if the weather is considered too hot for our students.

Thank you to the **Year 4 class** who did a great job of hosting this week's **Assembly**. The next Assembly in Week 8, will be hosted by the **Year 3 class**. All welcome. It will be in the Hall at 2:30pm

Running Club

Our **Running Club** started with humble beginnings three years ago. We now have 50 girls from Year 4 - 6 joining us for a before school 2km run, each Friday morning at 8:10. Thank you to Mr Mortimer and Mrs Maycock who provide this opportunity for our students and to our parents, *Wil, Shane, Karyn, Yen, Stuart and Scott* for their help.

In and around the classrooms:

As part of our unit on "Community", on Friday 2nd March we went for a local community walk to Bakery on O'Connell.

On our excursion we saw all different types of shops and cars. We walked past Lily and Vi-Anh's Kindergarten. We loved it because we ended up at Bakery on O'Connell and ate little donuts and a fruit box. Then we went back to school after a long walk.

By Reina & Vi-Anh

I saw a library, some houses and a post office. I liked eating the sprinkled donut. On the walk back I picked up some nature collections. **By Alexandra**

YEAR 2

SAPSASA District Swimming Carnival

On March 1st, a group of Year 4 - 7 students attended the North Adelaide District swimming carnival at the Norwood Pool. This carnival acts as a selection trial for swimmers to represent North Adelaide at Metro day on March 23rd. The competition was very strong and the St Dominic's girls tried their very best. Most of the girls placed 1st or 2nd in their heats which was a fantastic effort. Only one Swimmer per age group is chosen to represent North Adelaide in each event and this will be announced later this week.

Results are as follows:

Isabelle Tran (U/12) - 1st in Freestyle, Backstroke and Breaststroke.

Alyssa Tran (U/10) - 1st in Backstroke + Breaststroke / 2nd in Freestyle

Morgan Hillman (U/10) - 1st in Butterfly, 2nd in Backstroke

Hannah Cameron (U/12) 2nd in Breaststroke and Butterfly

Bree Copeland (U/11) 4th in Freestyle

Congratulations to all swimmers.

Michelle Richter

Reminder Dates for the Diary

TONIGHT - MYP meeting in the Hall for Year 6 parents, 7pm to 8:15pm. We are looking forward to seeing many of you there.

Festival Season at St Dominic's

The Senior Drama students have been making the most of the Adelaide Fringe and Festival season attending a variety of performances over the past two weeks with some more to follow.

The Year 10 Drama class attended a thought provoking performance about the impact autism has on families. *'We Live by the Sea'*, has returned to Adelaide from the UK and the girls thoroughly engaged with the themes and ideas seen onstage.

Our Year 12 Drama and Ancient Studies class were very fortunate to attend the world premiere of *'Memorial'* by Brink Theatre company. *'Memorial'*, an adaptation of Homer's Iliad was an epic piece with 215 people onstage representing those who have died in War. Complex and thought-provoking, it was certainly an experience! Still to come are performances, *'Us/Them'* by Bronks, a Belgium theatre company and State Theatre Company's *'In the Club'*. The girls are fortunate to use these pieces to reflect on and evaluate as well as inspiring their own practical work later in the year.

Emelia Haskey

Bridie Callahan

Special mention and congratulations must be made to current drama students; **Emelia Haskey** (Year 12) and **Bridie Callahan** (Year 9) who have been performing throughout the Fringe. Emelia in Blackfriars Players, *'Truth'* and Bridie in *'S/he...'* by Prospect Theatre for Young People.

S/HE...

You may have heard the phrase that children are "growing up digital." This statement is not untrue and parents are forced to confront parenting in a digital age, even if they do not feel like experts on this matter. The challenge in providing guidance on this topic is compounded by the fact that technology is changing and progressing at a rapid rate and it can be hard to keep up with what is trending.

Regardless, schools and parents have a responsibility to role model and teach healthy concepts around building meaningful relationships, balanced digital use and citizenship. In particular parents play an important role in monitoring online activity and education, as social use of technology tends to occur after hours in the family home.

Muriel Noujaim, Deputy Principal (Student Wellbeing)

Being online and connected is a big part of young people's lives. Here are some simple ideas to help you navigate your children's digital world.

- 1. STAY INVOLVED** Talk with your kids about their digital lives, create conversations and stay involved. Assure children that their internet privileges won't be taken away if they are exposed to content that makes them feel uncomfortable or concerned.
- 2. EDUCATE YOURSELF** Ask your children how they use technology and try it for yourself – try playing a game or uploading a video together.
- 3. SET GROUND RULES AND AGREE LIMITS** Explain the rules of responsible device ownership (such as care of equipment, staying within data limits) and help your children create a media use roster, allocating blocks of time for homework, chores and their screen time.
- 4. KEEP IT PERSONAL** Talk to your children about the value of personal information, what it is and why it's important to be careful sharing it. Encourage children to 'think before they click', to think about content and the consequences of posting.
- 5. BE AN OFFLINE SUPPORTER** Encourage kids to have some screen-free time each day and turn off devices before bedtime.
- 6. DO UNTO OTHERS** Teach kids to treat others the same way they'd like to be treated online and be zero-tolerant to rude or mean online behaviour.
- 7. MAKE THE MOST OF PARENTAL CONTROLS** Consider parental controls to help manage children's digital activity and restrict access to sites with adult content. For Telstra products and services, we recommend Telstra Mobile Protect for mobile devices and Telstra Broadband Protect for your home network.
- 8. ROLE MODEL IT** Don't just talk about the right thing to do, be a role model with your own digital habits.

Have you got an interesting job?

In 2018, the biennial **Careers Expo** will be hosted by Blackfriars Priory School on the evening of Wednesday, May 30. We are calling on professionals from a diverse cross section of industries to spend a few hours talking 1:1 with Year 10-12 students from **St. Dominic's, Blackfriars and Wilderness**. Please contact Louise Eustace below if you would like to be involved.

ALSO... Year 10 students are currently seeking **Work Experience placements** and we would love to support families of St. Dominic's in the process.

If your business is able to host a Work Experience student from September

24-28 please e-mail Louise Eustace:
leustace@stdominics.sa.edu.au

Parents & Friends Sports Day Roster

You hopefully by now have seen the requests in the Bulletin to **help at Sports Day** by assisting on a stall – if you have not done already **please consider volunteering for an hour** on a stall, a great opportunity to be part of our St. Dominic's community.

We have not had many volunteers sign up as yet so you can slot into any stall at present to help out on the day.

Sign up online at:

PROJECT COMPASSION
FOR A JUST FUTURE

WEEK FOUR
Evangeline's Story

Evangeline featured in Project Compassion during 2016. With the support of Caritas Australia, she has risen to the role of Senior Artsworkeer at Djilpin Arts Aboriginal Corporation, now a multi-level contemporary arts centre and major employer for young people in her remote Northern Territory community.

Please donate to Project Compassion 2018 and help provide employment and training for First Australians, allowing them to remain on country and keep their culture alive, essential for a just future.

A Just Future starts with your support! You can donate through Project Compassion boxes, visit www.caritas.org.au/projectcompassion or phone 1800 024 413.
