Dear Parents,

This front page records one of the most heartfelt celebrations in our school year, the Eucharist for the Feast of St. Dominic. Students from Reception to Year 12, Staff and Parents, Dominican Sisters, College Board Directors as well as staff and students from Blackfriars Priory School, St Mary's College and Cabra College joined us for yesterday's Mass. It was a memorable event. It was good to have Fr Tony Densley with us again as presider and we thank him for his ministry over many years.

Special thanks to Liturgy Coordinator Genevieve Taheny and to everyone who played their part. I am hoping that next week we can publish the refectio given by four of our Year 11 Class.

**The much anticipated holiday for the Feast of St. Dominic will be enjoyed by all on this Friday.**

**SPECIAL REQUEST RE FETE** – Please be aware that it is time to make your choice for the **2018 Parent Fete Roster**. Coming home this week via email will be all you need to know about signing up. Alternatively, a direct link to the online roster is: <https://stdo.ms/Fete18>

**Sr Jillian Havey, Principal**

**I**would like to thank the teachers, students and parents who were here last week, for their calm response to the lockdown. The communication from everyone has reflected a strong sense of trust and community. Our thoughts and prayers are with all and the families directly affected.

### Parent Engagement

On Friday 3<sup>rd</sup> August the **Year 6 Class** shared a fabulous morning with their families. The day started with a **class mass**, followed by collaborative **scrapbooking**. The class enjoyed spending time with family members and reliving some of the memories they have shared. Thanks to everyone who helped make this a special day.

### Student Engagement

Also on Friday, the **Reception to Year 3s** attended a **Patch Theatre** engaging adaption of Nick Bland's book, *Cranky Bear*. Singing, dancing and dress ups enhanced the fun performance.

#### My favourite part:

...was the sheep who gave a pillow to the bear. She was very kind and thoughtful. - **Tania Year 2**

...was at the start when they song which explained what was happening in the story. It was an enjoyable experience. - **Eliza Year 2**

### Living Dominic's example through the learner profiles

Each class took a Learner Profile and was asked to reflect on the question *How do I live out my profile as a follower of Christ, A friend of Dominic and an IB Learner?*

Year	Learner Profile	How I live it
Rec	<b>Caring</b>	I am caring when people are sick
Yr 1	<b>Risk Taker</b>	I am a risk taker when I tried really hard to do Art I am a risk taker when I try to do tricky words
Yr 2	<b>Inquirer</b>	Inquirers are curious about the world Inquirers never stop learning
Yr 3	<b>Knowledgeable</b>	Always wanting to learn more Sharing your thought with others Never stop asking questions
Yr 4	<b>Risk Taker</b>	I am a risk taker when I try new things and do my best
Yr 5	<b>Thinker</b>	Thinking before speaking Thinkers aren't judgemental and don't say negative things
Yr 6	<b>Principled</b>	I am principled when I include everyone I am principled when I treat everyone fairly and nicely I am principled when I recycle, it helps our planet

### Monday was Crazy Hair Day

I have a cowlick and a pony tail. I used hairspray and elastic bands. The colours are light blue, purple, peach, green and pink. I feel like a pony. - **Mai**

My hair pink. It is a Troll's wig. My hair is crazy. My teacher has crazy hair too. I love my hair! - **Elvie**

Crazy Hair day is so much fun. I have two paint brushes in my hair. I have one bun in my hair. I

have one head band in my hair. - **Zara**

I've got rainbow hair ties, piggy tails and two clips. They are peach flowers. I love my hair. - **Natanya**

### Gardening Club

**Possums have had a lovely time, feeding off our seedlings this year. It's time to STOP!**

Please help our Gardening Club to protect our growing vegetables by purchasing a **bunch of fresh, organically grown spinach.**

For sale before school on Thursday, in the outdoor classroom.

**\$2.00 a bunch**

Thank you

Lilli, Isabella & Magdalene

### In and around the classrooms:

#### RESPECT Poetry

As part of our Health study, Year 5s were asked to think about and discuss the term "Respect", with a main focus on:

*How do they show respect to others around them?*

*What does respectful behaviour and interaction look like?*

After a small group brainstorm and class discussion, we made our own acrostic poems related to this topic.

#### Slime Experiment:

We had so much fun making slime as part of our Science curriculum! We studied the chemical reaction between substances such as glue, shaving foam and Borax. It was amazing how different some of the results were depending on how much of each ingredient was used. We found that if we used too much Borax, the slime became very rubbery and had very little elasticity and would break. Therefore, the perfect combination of ingredients used was very important. This experiment not only resulted in some colourful creations but taught us about the importance of measuring when conducting experiments in Science.

## Updating Official College Records

At any time throughout the year, we ask that you communicate with the College (phone: 8267 3818) immediately if your child's circumstances change.

### This includes:

- Parent/Guardian Email Address, Postal Address, Contact Telephone Numbers (*Home, Work, Mobile*)
- Emergency Contacts
- Medical Information
- Access Alerts and Court Order Arrangements

The College must endeavour to keep records up to date, so that young people in our care are safe and so that in case of emergency contact with families can be made promptly and with ease.

## Science & Engineering Challenge

On Friday the 3<sup>rd</sup> of August Ms. Mazzarollo's Maths class went to the Velodrome for the Science and Engineering Challenge. There were many activities on offer such as bridge building, making a catapult, making a bionic hand, decoding messages and more. My group did 'Helter Skelter Shelter' and 'Confounding Communications'. St. Dominic's came 5<sup>th</sup> overall, came 2<sup>nd</sup> in Bridge Building and was best overall in Helter Skelter Shelter. We learnt about basics in engineering and overall we had a great day.

## Year 11 Trip to Canberra

25 Year 11 students escaped Adelaide's "warmer" weather to face the chill of Canberra. Setting off after lunch on the 24<sup>th</sup> of July, the group's anticipation was high for a fun and memorable five days ahead. We visited many attractions: *National Capital Exhibition, the National Library of Australia, Questacon, National Gallery of Australia, Mount Ainslie, the Australian War Memorial, Parliament House, Black Mountain Tower, the CSIRO, the High Court of Australia, the Museum of Australian Democracy, and the Australian Electoral Commission.*

The most memorable activity was an exclusive and interactive tour of *Government House* that provided the girls with a unique insight into the history of Australia's governance.

On the last day of the visit, a 16km bike ride around Lake Burley Griffin allowed us to view many beautiful sites of Canberra and wear ourselves out for the flight home.

These Year 11 Students from St Dominic's have recently undertaken this educational tour of the national capital. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$60 per student under the Parliament and Civics Education Rebate program towards those costs.
