Dear Parents,

There is plenty of news from SDPC in this half way mark of our final term.

SDPC Student is Australian Young Writer of the Year IN POETRY

It is a pleasure to congratulate Year 10 student **Julia Pickersgill** who has been selected by the Australian Children's Literary Board as Young Australian Writer of the Year for her poem, "*The Legacy of the Watchman*". Her poem was published earlier in the year in the magazine, "*Oz Kids in Print*". We printed it also on the front page of the Bulletin last term. Julia's peers at a recent Assembly gave her a resounding ovation for reading her poem from the stage, a courageous thing to do. Julia will go to Melbourne later in November to receive her award. She is pictured here with her English teacher/mentor Shelda Rathmann.

In his message for Migrant and Refugee Sunday this year Pope Francis draws our attention to child migrants who are, "*the most vulnerable and the voiceless.*"

As you know we have a **booking system for seating at End of Year Mass** which takes into account the limitations on seats available to families. Full details are given in the letter going home to you shortly together with your personal family invitation. When booking your seats remember that the number does not include your daughter who will be seated with her class. Every student is expected to attend the End of Year Mass and it is our experience that they would not want to miss it.

Final Parent Committee Gatherings

Two Parent groups make an ongoing significant difference within our school community. They are the **Parents and Friends Association** and the **Fete and Auction Committee**. Years ago the good decision was made to have the "wind up" meetings for both associations on the same night. On next **Wednesday the 15th November, the P&F will commence their meeting at 7:00pm, with the Fete Committee to follow at 7:40pm.** All are welcome to stay for a special supper following the Fete meeting.

The **Fete 2017 results** are very good and we are hoping that convenors will be able to attend to receive our thanks and for them to hand in their report on the outcome of their highly appreciated gift of time and skill.

Sr. Jillian Havey
Principal

for your calendar
End of Year Mass
TUESDAY DECEMBER 5th, 7:30PM

This is our final gathering for the Year as a community of families and staff linked by the love of God in Christ Jesus and bonded by our Dominican spirit. This year's Theme honouring the gift and the vulnerability of children is expressed in the words of Jesus welcome to children in the Gospels of Luke, Matthew and Mark;

**"Whoever receives one such child
in my name receives me."**

Primary News

from Ms. Cate O'Leary
Primary School Coordinator

"Learning is a treasure that will follow its owner everywhere"

Week 4 already but there are still many exciting learning activities and special functions ahead. We thank our **Reception Class** for very capably hosting last week's Assembly and look forward to the **Year 5 Class** hosting Week 5 Assembly.

Sacraments: Veronica, Anne-Marie and Josephine Pileggi celebrated their Confirmation on Friday the 27th October in their Parish, St, Anthony's Edwardstown.

Year 2 and 3 parents will shortly receive a letter reminding you to contact your parish to make preparations for your daughter receiving the **Sacrament of Reconciliation or Communion and Confirmation for 2018**. Some Parish programs begin this year, so *it is very important that you quickly make contact with your parish*.

Uniforms: Some students are regularly wearing their sport uniform to school instead of their summer uniform. Unless directed by their class teacher or your daughter has a sporting commitment, sport uniforms are only to be worn on the following days:

Reception - Wednesday and Friday

Year 1 - Wednesday and Friday

Year 2 - Tuesday and Friday

Year 3 - Monday and Tuesday

Year 4 - Tuesday

Year 5 - Tuesday and Friday

Year 6 - Wednesday and Thursday

Thank you for your assistance with this matter.

Before School Drop Off: Thank you to the many families who are helping streamline the movement of students in the *Kiss and Drop Zone*. We remind you that you are not allowed to block any driveway and allow your daughter to get out of the car when it is blocking a driveway. Thank you for your support.

After School Hours Care: If you require any information regarding the **Blackfriars Priory School OSHC** and Vacation Care Program and enrolment forms for 2018, they are located in the Primary office.

SACPSSA Touch Carnival

The Touch Football Carnival took place on Tuesday the 31st of October with the Years 4-7 attending in the hope of claiming a victory. It was a beautiful sunny day and a perfect opportunity for students to show off their newly acquired skills to spectators. All teams managed to win some games and have a lot of fun in the process.

Parent Engagement: Are you a budding artist, have creativity or maybe you are good at washing brushes? If you want to help paint the Junior Primary flower boxes, contact me or put a note in your daughter's *Communication Book* or *Diary*.

Move Up Day: The girls are looking forward to 'testing the waters' in their 2018 classroom this Friday. We are looking forward to welcoming our new Reception students and other new families to our school. To help with a smooth transition in the JP area, we ask that when the 8:30 bell goes, our 'old Reception' students put their bags in the activity room and then go out to play. Other students can put their bags in their own lockers at 8:30 and then when the 8:50 bell goes, proceed to their new 2018 classes. We thank our Year 6 guides: *Annie, Mia, Annaliese, Bella, Sara, Isabella J, Isabella C* and *Lucy* who will make all our new students feel welcome and direct them to the correct rooms.

Chapel Mass: Thank you to the Year 5 Class and their parents for joining us at our Chapel Mass last week as we celebrated the feast of *St Martin de Porres*. Our next Primary Chapel Mass is being prepared by the **Year 4s** and is Friday the 17th of November.

Dates for the Diary: **Twilight Assembly - Tues 21st November** (Wk 6) - outstanding replies due back ASAP

Year 6 Graduation - Weds 29th November (Wk 7) - note to follow.

Emotion poems written by Year 3

Silliness

SMELLS: like a flower
that makes you sneeze

TASTES: like a sour lolly
that makes you squeal

SOUNDS: like laughter everywhere

FEELS: like sugar sinking
into your body

FEELS: like sprinklers
raining on your head

LOOKS: like trouble
for everybody else

Lysha Huynh

Anger

SMELLS: like steam
bursting out of your head

LOOKS: like red hot fire

TASTES: like sour cream
squirted in your mouth

SOUNDS: like fire crackers
popping at night

FEELS: like you're trapped
in a whole new world

Sophie Belperio

Love

SMELLS: like flowers
in Spring

TASTES: like chocolates on
Valentine's Day

SOUNDS: like gorgeous music
playing on lit night

LOOKS: like love hearts
in the air

FEELS: like hugs

Charlotte Crowe

Fete Thanks

Our wonderful Fete this year truly was the calm before the storm.

A glorious Saturday saw many parent, staff and student helpers, along with eager convenors and their children, setting up the stalls in an efficient and timely manner. Many thanks to the **BBQ volunteers** for keeping our hunger at bay while we worked.

Fete morning arrived on a thankfully sunny Sunday and Stuart and I arrived bright and early with many keen convenors as the usual organised chaos prevailed - happily resulting in a smooth and organised 10am start.

The crowds arrived with many eager visitors forming neat queues in anticipation of stalls such as the ever popular **Plant Stall**, **Books Stall** and **Fresh & Pre-made Produce stalls** opening their sales! These stalls were busy all day with lots of keen and happy customers.

The multitude of **food stalls** efficiently served a wonderful variety of treats; some stalls trying something new this year - many of which I sampled - and all adding to a fantastic standard and proving very popular. The **Rose Café** was a welcome safe haven for a quiet cuppa and the **Old Scholars' Cake Stall** as always was heaving with donations from our wonderful community of bakers.

The **Auction** was a hive of activity and once again a credit to the Auction Committee's hard work - along with *cheese and wine* being prepared and served to keep our bidders happy and active!

The **Craft Stall's** full trestles certainly confirmed we have some very talented parents in our community with a wonderful variety of donations of every kind for sale. **Classic Treasures** had a constant stream of bargain hunters sifting through many pre-loved items lovingly prepared. The ever popular **Lucky Dip**, crowded **Chocolate Wheel**, and variety of Amusements kept everyone happily entertained while the **Drinks Stall**, **Ice Cream Stall**, **Sweets**, **Desserts**, **Bar** and **Coffee Machine** kept our punters seamlessly hydrated and happy!

We also had some amazing helpers arrive to help us clear away at the end of the day when many had made their way home with weary feet and bags full of goods - a job that is often difficult when everyone is starting to tire but always executed with care and goodwill.

This year's Fete highlighted for me the sense of community we have at St Dominic's; with so many wonderful families giving up their weekend to make sure the Fete is a great success. It is heartening to see so many new Primary and Secondary families having a go - the next generation learn from our involvement and enthusiasm.

A special thankyou to **Ben Brazel** for all of his wonderful advice, calm guidance, and spreadsheets. Huge thanks also to **Michael & Gavin** for their preparations long before Fete Day and hard work from Friday through to Monday of Fete Weekend. **Kathryn Hudson** and all of the wonderful **Teaching and Office Staff** for their continual work behind the scenes leading up to, during and after the actual Fete - preparing floats, collecting and counting money just one of the behind the scenes jobs that happens like clockwork every year along with the clearing and cleaning of classrooms and outdoor areas.

Once again many thanks again to all of the **Convenors** that make the Fete run as smoothly as it does. If you didn't volunteer to convene, attend meetings and work tirelessly before and after the Fete this day simply could not happen - a big pat on the back to everyone involved.

See you all at Fete 2018!

Afternoon Tea Stall - 'Rose Café

Team 'Rose Café' would like to extend a BIG thank you to all the *Year 11 students, parents and school staff* who gave their time so cheerfully & willingly and to those who most generously provided cakes and made donations to our stall. Your contributions ensured a highly successful day and were greatly appreciated. Many thanks also to the school's *Strings Orchestra*, whose performance was very much enjoyed by large audiences.

We also acknowledge and are grateful for the wonderful generosity shown once again by *Bakery on O'Connell* who supplied the delicious scones and lamingtons, and *North Adelaide Foodland* who donated coffee, tea, milk and cream.

Thank you to everyone for all your support - we could not do it without you!

Asian Food Stall

We would like to sincerely thank to all the parents who support the Asian food stall to the successful 2017 Fete. Your generous donations of a total of 800 spring rolls were superb. Sri Lankan rice and curry, Thai salad and chicken satay, steam dim sims, honey comb cakes, sushi, tofu salads were so tasty.

Thanks to the generous supports of **Lucky Asian Grocery** (Kilburn), **LB Vietnamese Foods**, **Red Rock Restaurant** (Port Adelaide), **Moonlight Cake and Moi-An foods stall** for donating cooking needs and vegetables. See you all again next year.

Thanks from Thuy and Trinh

Xin cảm ơn quý phụ huynh của trường St Dominic's đã nhiệt tình đóng góp thức ăn và thời giờ cho gian hàng Á Châu được phong phú.

Xin cảm đến: tiệm Lucky Asian Grocery (Kilburn), LB Vietnamese Foods (Salisbury), Red Rock - Port Adelaide, Moonlight Cakes và quán Mời ăn đã nhiệt tình ủng hộ.

Kính chúc quý vị vui khoẻ và hẹn gặp lại năm tới.

Thuy và Trinh

BBQ Stall

Scott and I would like to thank all who supported the BBQ Stall on Fete Day, especially our dedicated volunteers that helped throughout the day. To all those who turned up early and helped setting up, preparing and cooking the delicious bacon and egg muffins, sausages, scrumptious chicken salad as well as cleaning and packing up, we appreciate your help. I would like to make a special thankyou to 2-3 volunteers that spent longer than anticipated in front of the BBQ during our busy times. The success of the BBQ also relies on our wonderful suppliers who so generously donated their goods - please support them as they continue to support us each year. Finally, thank you to all those who purchased food from our stall and once again a sincere thanks to everyone for making it a successful day.

Mark and Scott

Cake Stall

A special thank you to the College mums who helped, their presentation skills in setting up were exceptional. The cakes kept coming even up until closing time but still sold. To members of the school community, especially the students who baked, grateful thanks. And of course the *Old Scholars* for their ongoing contributions - organising, baking and manning the Cake Stall. We enjoy the yearly reconnecting with Old Scholars who come to the Fete and always to the stall to say hello. The Cake Stall tradition continues.

Chocolate Wheel

The Chocolate Wheel convenors, Leah, Angela, Ida, Tina and Sophie would like to thank our wonderful helpers - *Rod Jensen, Amanda Erbsland, Superna Barone* and *Franca Ranaldo*. Another successful year. Thank you for your continued support.

Classic Treasure

The Classic Treasures Team acknowledges the assistance of all volunteers who offered their time to this stall on fete day. The vast array of items donated, along with the impressive set up achieved by those helping on Saturday, ensured the success of the stall. We had lots of customers and lots of positive comments about the display tables and cabinet.

A special thank you to *Kathryn Hudson* and *Loretta* in the office for all the hours and work behind the scenes. We could not have done it without you!

We would also like to mention *Vesna* and *Tina* who have put in many hours over the years as well as continuing help this year to ensure we had a well organised stall.

Many thanks *Lauren* and *Nelson* and others who stayed back to pack up and left the Gym looking spotless.

We encourage all students, staff and parents to keep this stall in mind next year when having a spring clean... until 2018.

Craft Stall

The return of the Craft Stall again this year saw the emergence of many talented, artistic St. Dominic's parents, grandparents, students and friends who *knitted, crocheted, sewed, painted, drew, embroidered, beaded, decorated, created* and *waved*.

As a result, the Craft Stall was brimming with beautiful handmade creations and there were many happy purchasers. We would like to sincerely thank everyone who contributed handmade crafts, donated materials and helped on the stall on the day.

Keep your craft ideas alive for next year!! Many thanks again.

Lucky Dip

On a bright sunny Spring day, lucky dip happiness was had! Fabulous prizes were fabulously wrapped by our Mum, *Delorés Byrne* (with Dad enlisted too!). Thank you both so very much XX Hope all the lucky dip patrons enjoyed their prizes and felt lucky! Till next year ...

Desserts

A heart felt thanks to our sponsors for delicious, quality produce again this year: **Schinella's – Your Local Market, Adelaide Fresh** (Prospect), **Muratti Cakes and Gateaux** (Prospect) **Romeo's Foodland** (North Adelaide)

Thanks also to the wonderful *parents, staff* and *Year 10 student volunteers* who gave their time so generously on the day. Special thanks to *Sr. Jill, Kathryn Hudson* and *Noreen Pardoe* who ensure smooth running of our stall on Fete day.

A big welcome to new convenors Skye Newton and Chris Guntner. We have very fond memories of our years as convenors and encourage new parents to join Skye and Chris on the Desserts Stall Team.

Brenni and Kath

Books Stall

A big thank you to all the volunteers; old hands and new, their supportive families, students and friends of the school who contributed to the success of the 2017 Book Stall. It was, as always, a great team effort. I would like to extend special thanks to *Cate* and *Muriel* for their pre-fete organisation, to those students who did the heavy work of carting the books down to the stall and setting them out on the tables and to those people who helped pack up after the fete was over!

Beauty Parlour

I would like to thank the staff and students who were responsible for making the Beauty Parlour such a success. It was a new addition to activities offered at the Fete and it proved to be very popular.

Italian Food Stall

The Italian School convenors wish to thank all the valued volunteers from the school community who assisted with serving at the Italian Stall on Fete Day. In addition we wish to thank the businesses who provided goods for our stall: **Say Cheese, Mr Potato S.A., Nunga Produce, Rainbow Fresh, Olympic Party Hire.**

Ice Cream

A sincere thank you to all the parents and St Dom's senior student helpers that volunteered their time at the Fete. Your help and participation was really appreciated the result being we completely sold out which is a fantastic effort by all. Hope to see you all at our next event.

Counting House

Congratulations and thank you to all the Fete convenors and families for pooling together their time, effort and resources to produce another successful Fete Day.

We are especially grateful and appreciative of our helpers in the Counting House. To you all amazing people, a heartfelt thank you to *Susan Crowe, Franca Gasparini, Lauren Mazzarolo, Sarah Meathrel, Georgia Meyer, Muriel Noujaim, Thanya Pavalaksanawat, Rick Pedler, Corinna Renney, Jo Riccio, Joe Sperenini* and *Carolyn Slater.*

Drinks Stall

Special thank you to the parents who came, the stall had a great day. Many Year 8s stayed on to help outside of the time they were rostered - thanks so much!

Fruit & Veg Stall

Thank you to the people and businesses who donated cash and fresh Fruit and Veg; especially **Schinella's - Your Local Market** and **Adelaide Fresh.**

Pot Plants

A huge thank you to the parents, grandparents and students who came to our potting mornings, helped out on fete day, and donated plants for us to sell; especially *Catherine Dinos, Helen Lloyd, Michael Scroop*, and *Sally D'Assumpcao and family.* The Pot Plant Stall would also like to acknowledge the continued support of **Living Colour Plants** for their generous donation.

Produce - Jams, Cans & Packet Foods

The Produce Stall thanks all of those who contributed to the success of our stall. We thank those who made donations, helped make jams, relishes and other goods, assisted with sorting cans and packet goods, setting and cleaning up the stall, and who helped sell goods throughout the day. Special thanks to *Mary Brennan* (past parent) who continues to generously support the stall each year, and *Danielle and Loretta* in the College Office, who we could not have done everything we needed to do to get ready, without them.

Rose Comp

Michael and Suzi would like to thank *Bernadette Day* for her unwavering support in assisting again this year. Thank you to all who entered their roses into the competition. We look forward to receiving your entries again next year – we couldn't do it without you! Our roses continue to draw attention and interest on the day.

Sweets

A big thank you to all the students and parents on the Sweets Stall and to the *Year 8 families* who donated the home made goods; it could not have been a success without you.

Yiros

A big thank you to our volunteers: *Claude and Isabella Dametto, Leanne and Amelia Hegarty, Isabel McAnulty*, and *Sonia and Natalie Monteleone.* We would also like to mention *Shauna* and *Peter Thorn*, former Yiros Convenors, whose help all day was very much appreciated. It was a fun day and lovely to work with a great bunch of people.

Thank you **Schinella family** for your donation once again of quality vegetables; your ongoing support is very much appreciated.

Cappuccino

Thank you to **Michael & Cathy Smith** who kindly organised the ordering of the machine, and to all who came along and supported the Stall on the day.

Auction Thanks

Our heartfelt thanks to all involved in the donation, preparation and presentation of the items on offer in this year's Auction. We are grateful to **Geoff Matthews** of **Geoff Matthews Real Estate** who stepped in as Auctioneer at the eleventh hour. Geoff knew exactly what we hoped to achieve and set about making it happen from his opening introduction. He cajoled, exhorted and entertained our bidders to dig deep for the worthy cause of raising funds for St Dom's, and his contribution to the success of the auction was invaluable.

Cashier **Ninette Howe** was ably assisted by **Raquel Pacicca** who handled the Bidders' Register and recorded bids. Our thanks to our Spotters, **Geoff Owens, Jeff Pardoe, Anita Monteiro** and **Terry Howe**, who not only Spotted, but assisted in the displaying of items and transporting them to the collection area.

Behind the scenes in the months prior to Fete Day, a small and dedicated band of helpers meet to organise, compile, wrap and name our items for catalogue entry. At the top of the list is **Sarah Brogan**, who painstakingly checked every package and recorded the details of the items in the silent auction, and **Maria Lappas**, whose eagle eye and shopping prowess saw many an auction basket 'topped up' or 'finished' with added goodies. We are also particularly grateful to **Carla Park** and **Rosemarie Macolino** who made themselves available to assemble and wrap the splendid baskets for both the live Auction and the Silent Auction over the course of many days.

We are again especially appreciative and impressed by the efforts of the **Parents of Primary School students** who, after the success of last year's trial, contributed to their Class Baskets with aplomb; enabling us to present some beautiful items for both the live and silent auctions. They were joined this year by the **Year 8 and 9 students**, whose own class baskets were a much valued SRC initiative.

To those who assisted with set-up on Saturday and came to help on Sunday, we thank you most sincerely.

Special thanks to our bartender **Mario Lappas**, who generously organised and kept our bar stocked, and congratulations to **Liesl McPeake** for the presentation of the delicious cheese platters. We would like to thank **Adelaide Fresh at Prospect** for supplying the delicious cheeses.

Each year we are extremely grateful for the generosity of our donors, especially the local businesses who support our school. We ask that you remember them when it's time to dine out, buy groceries, celebrate life's milestones or buy a special gift. Without their support we would not be able to offer such wonderful items at the Auction.

Our special thanks to each and every one of them.

The Auction Committee

Night of the Notables

On Wednesday 1st November the Year 5 class participated in the inaugural Night of the Notables showcase. My notable was Mae Carol Jemison who was born on October 17, 1956, in Decatur, Alabama. From a young age she was interested in space travel. During her time at Morgan Park High School however, she became interested in pursuing a career in engineering. When she graduated in 1973 as an honour student, she entered Stanford University on a National Achievement Scholarship. **By Isabella Sinton**

One by one we made our way to the class, and introduced ourselves as our notable. We then split into groups and performed our soliloquies. The soliloquies were the result of a long period of research and presentation skills and we were all very excited to show them. Time was spent after this roaming around the room with our parents showing them our work. **By Isabella Bogovic and Emily Bondza**

My notable was Annie Jump Cannon. She was an American astronomer, famous for creating the stellar classification system OBAFGKM, and was partly deaf due to contracting Scarlet Fever during her time at Wellesley College. She is usually depicted in black and white as there were no colour photos in her time. **By Imogen Carpenter**

Hallett Cove Excursion

On the 27th of October, all three Year 10 Science classes travelled by bus to Hallett Cove to study the past geology of South Australia. Upon the excursion, we came across many different geological rocks from different time periods such as the sugarloaf, dropping stones and rock pools. Overall, we had an insightful day and were able to gain new knowledge on the history behind the formation of rocks in South Australia. We thank the multiple science teachers who supervised us on the day as well as the three University students studying geology

who took their time out of their day to guide us through the walk. In addition, we were definitely educated about Hallett Cove, but most importantly how the increasing number of stairs proved how unfit we are.

Audrey Nguyen & Michelle Vo

In and around the classrooms:

We started the term learning about how the earth's surface has changed overtime. The class investigated how waves build, erode and change beaches by making a model of a beach and shoreline. As part of the weekly sharing, the girls completed an experiment at home titled "What does that drink do to our teeth?" Over a week, the girls observed egg shells in 3 solutions:

The eggs acted as teeth as they are made from chemicals similar to those that form tooth enamel. Some placed the shells in **red wine, cordial, juice, soft drinks, sugar water or vinegars**. They were very surprised by the experiment results and have enjoyed sharing photos, PowerPoints and posters with the class.

The Year 4 girls are now excited to participate in a **Forensic Science Workshop** this Thursday. This workshop will demonstrate how science works in the real world. Girls will collect evidence to interpret and analyse.

Auguroni Ada!

Last weekend, South Australia's Italian community came together to celebrate the annual Italian Festival, previously known as Il Carnevale.

Whilst the Festival remains special among the Italian community, it was also extra special for the St Dominic's Community, and in particular, 2016 Old Scholar Ada Snell. Last Year, Ada was awarded the *Subject Prize* for her studies in Italian and her In-depth Study on Italy's humanitarian response to the arrival of Refugees, was not only exceptional, but also a testament to the person she is. Ada went onto achieve a *Merit for Italian*; an outstanding achievement considering that Ada is not of an Italian background. However, her achievements have not stopped here. Last weekend in front of Adelaide's Italian community, Ada was acknowledged for her achievements and awarded the *Co-ordinating Italian Committee Prize for Italian*, a special award presented to the State's Top Italian Student, which this year was awarded to two students.

We at St Dominic's, congratulate Ada on this magnificent achievement and wish her every success for her studies at University and in particular, her continued studies in Italian. Tanti belli auguri!
