

PRINCIPAL'S REPORT

Dear Families,

Our Field and Sports Days have been the highlight of this past fortnight. Both days were filled with opportunity, achievement, resilience, perseverance and pure joy. There were a few challenges faced by girls who consistently aim to improve and a few surprises, as girls received their first ribbons in field, athletics and ball games.

To gather our whole school community on a Sunday was simply stunning and I rejoiced in the efforts of so many staff and volunteers who contributed to making the day memorable. We are a school community that truly values the gathering of families to celebrate, share and build friendships.

On Sunday I watched as parents chatted in the coffee line, enjoying the BBQ and sitting in the shade of the trees. I delighted in my Vietnamese chicken salad and watched families enjoying cupcakes and ice-creams, all the while supporting, cheering and enjoying their daughters, as they fully participated in the Sports Day events.

The marching to begin the day was a spectacular sight especially for those of us seeing it for the first time. Our Judges, Sr Jillian Havey and Dr Paul Rijken were very

pleased with their efforts with Dr Rijken reflecting that 'to march with excellence you must stand tall – and today you are tall and clearly proud of your school.'

I take this opportunity to thank all those who have contributed to the success of the day. I acknowledge Mr Tim Grant and Ms Michelle Richter as leaders in sport; Ms Karen Schaumloffel for overseeing our food stalls and liaising with our parent community; and to all of our parent volunteers and food providers, your contribution is so significant and so delicious! Thank you. And finally, I acknowledge and thank all the students and staff for their attendance and participation on the day.

I look forward to the weeks ahead where students will dig just a little deeper as they focus on their studies, completing assignments and opening themselves up to the opportunities to ask questions, pose solutions and work collaboratively to learn new concepts with confidence and enthusiasm.

Dr Helen Steele
College Principal

PROJECT COMPASSION BE MORE

WEEK 2 | 1 - 7 MARCH

Meet 39-year-old Margret, a teacher at a vocational school for deaf students in the Solomon Islands. Margret was born deaf, so she knows the challenges it poses to education and employment.

The school has faced water shortages, with not enough safe water for drinking, cooking, washing and growing vegetables. Then Tropical Cyclone Harold damaged the school and its vegetable garden, which staff and students rely on for meals.

With Caritas Australia's support, the school installed water tanks, provided cyclone-proof building materials, and helped to implement COVID-19 prevention measures.

- Around 60% of people in rural areas in the Solomon Islands don't have access to piped water, while about 80% don't have access to latrines or toilets. (UNICEF, 2019)

[Watch a short film about Margret here](#)

**"Aspire not to have more,
but to be more."**

- St Oscar Romero

WEEK 3 | 8 - 14 MARCH

Meet Oliva, a 22-year-old woman from Tanzania. Oliva did not have the opportunity to go to school and was embarrassed that she was unable to read, write or count. As an adult, her business was losing money because she couldn't add up her money and give the right change to customers.

Then Oliva enrolled in Caritas Australia's literacy and numeracy classes. She also set up a home classroom to teach her neighbours, for free, because they were too shy to attend larger classes.

Oliva has now graduated, attendance at her classes are growing, her kiosk is thriving and she is helping her children with their homework. She aims to become a pastor and run for leadership in the next local election - to help her community to 'Be More.'

- Approximately 260 million children don't have the chance to go to school (un.org)

[Watch a short film about Oliva here](#)

PRAYER + & LITURGY

LENT CONTINUES

Lent calls us into a deeper relationship with others, the world and God.

Lent is a time of prayer, fasting and generosity to others which means making what Jesus did real to each of us.

In our contemporary world, "having more" is a global obsession yet, "being more" is the truly human virtue.

Fasting doesn't only have to mean giving up something you like. It might mean doing something that positively impacts others.

St Oscar Romero, whose powerful saying "Aspire not to have more but to be more" is the theme for Project Compassion this year, became a voice for the voiceless by challenging the political powers of his day and working to bring justice to the people of El Salvador.

St Catherine of Siena worked tirelessly for the poor and oppressed and used her voice to challenge injustice and work for peace. She said, "Cry out as if we have a million voices, it is silence which kills the world."

St Mary MacKillop lived by the words: "Never see a need without doing something about it."

Lent is a time of encountering God through prayer and contemplation and then sharing the fruits of that contemplation with others in word and action.

This Lent, in our fasting, in our prayers and in our actions, let us challenge ourselves to be more for others and for our world..

Mrs Concetta Sossi
RELIGIOUS EDUCATION COORDINATOR

PRAYER

*Fast from judging others;
feast on the Christ dwelling in them.*

Fast from emphasis on differences;

feast on the unity of all life.

*Fast from words that pollute;
feast on phrases that affirm.*

Fast from discontent; feast on gratitude.

Fast from anger; feast on patience.

Fast from pessimism; feast on optimism.

Fast from worry; feast on trust.

*Fast from complaining;
feast on appreciation.*

Fast from negatives; feast on affirmatives.

*Fast from unrelenting pressures;
feast on unceasing prayer.*

Fast from hostility; feast on nonviolence.

Fast from bitterness; feast on forgiveness.

*Fast from self-concern;
feast on compassion for others.*

Fast from discouragement; feast on hope.

*Fast from facts that depress;
feast on truths that uplift.*

NEWS FROM THE PRIMARY SCHOOL

YEAR 2 GET READY FOR SPORTS DAY!

What a wonderful day we had at our 2021 Sports Day on the weekend! Our Junior Primary classes began the day with a beautiful Tai Chi dance to get our bodies moving and ready for action. We thank Sr. Hieu for supporting us with her graceful moves. Our first event was the flat races. This is always a treat for proud parents watching and cheering on. We love the beautiful nature our girls bring to such events, from the fast and competitive, to the ones who stop to pick up their hat, to the ones who just want to run along with their friend. They bring smiles to our faces and make our hearts sing. Our ball games were no less entertaining, with a "Giddy Up" hobby horse race, a "Run Bunny Run" Easter race, a gymnastics inspired "Ribbon Twirl" race and a "Pass the Baton" relay. There were squeals of delight and excitement throughout it all. I was very proud of the leadership skills the Year 2 girls showed to support our younger students. Bravo girls! Here are some examples of the acrostic poems we wrote about SPORT.

NEWS FROM THE SECONDARY SCHOOL

YEAR 9 COORDINATOR'S REPORT

After the uncertainties of 2020, the beginning of 2021 was like a breath of fresh air. We have had a busy and exciting start and all of the Year 9 girls have adapted well. The newly allocated Year 9 areas have certainly presented some challenges, with suppliers unable fulfill our locker order on time. However, on our return from Field Day last week, the 9B and 9W girls were greeted with the brand new lockers: squeals of delight could be heard across the school.

I would like to take this opportunity to thank Beverly Lumapas, Vanessa Phung, Elena Chau, Cecilia Nguyen, Emma Foti and Grace Tran who have taken on the role of Student Representative. I would also like to thank Liana Rossi, Adrian Di-Nino and Genevieve Taheny who are the home class teachers this year. Their hard work and dedication to their profession is a wonderful example for our girls. We are very much looking forward to working as a team in 2021.

Mrs Josie Revesz
YEAR 9 COORDINATOR

YEAR 9, SO FAR

It has been an adventurous start to the school year for the Year 9s! On the first day, we came together as a whole school to celebrate the beginning of 2021. Wellbeing Day was a welcoming, positive and enjoyable experience. It was a grateful reminder that we are surrounded by people who always admire, value and respect us for who we are. We received and decorated journals which were to assist us in documenting and embracing the positive moments of our lives. We then also participated in a role-playing activity which helped us practice self-confidence and problem-solving skills when in conflict with close friends. The Year 9s would like to thank *Enlighten Education*, *Misfit* and our incredible teachers who presented experiences students will cherish and look back upon fondly.

Of course, the St Dominic's girls were also busily preparing for the Sports Day marching. Sports Captains introduced themselves in whole-school house team meetings; providing us with opportunities to collaborate with our teammates. These meetings provided information regarding Field Day and Sports Day, and involved; getting to know the team captains, teamwork activities, additional marching and team chant practice, introductions to our 2021 mascots, and some sweet treats at the very end. Through these gatherings, we were able to gain motivation to try our best at College events and build bonds with our peers. We all had a spectacular time!

The season of Lent is upon us, and as a College community we work together to demonstrate our faith by showing love and generosity to those in need through Project Compassion. By working together, our compassionate actions and generous contributions will 'transform the lives of countless individuals across the globe'. In Archbishop Oscar Romero's words, may we "Aspire not to have more, but to be more" this Lent.

2021 will be another fantastic year. We look forward to the memories we'll share with our dearest friends, teachers, families, and the St Dominic's community!

NEWS FROM THE LEADERSHIP TEAM

DIRECTOR OF TEACHING & LEARNING

Last week an email was sent to all families encouraging you to 'engage' with **SEQTA Engage**.

This platform provides an opportunity for parents to get involved with their daughter's learning, and enables parents and teachers to work collaboratively.

Opening an account will enable you to:

- View your daughter's daily timetable and homework
- View upcoming assessments and due dates
- View academic achievements
- Access financial services such as payments of school fees

Access to such information is helpful, however we ask that you keep in mind how you use this information. Every new year brings new challenges for our students and sometimes it

takes time for them to become accustomed to the rising demands of being one year older in their schooling journey. There is more homework, assessment tasks are more involved, tests may require more time to study for and, for some students, they may not always get it right – and that's OK. It's all part of their learning journey. So even though you have access to your daughter's weekly timetable, upcoming assessment tasks and academic achievements, we ask that you give your daughter the space she needs to develop the time management skills and the study habits required to do her best this year. Making mistakes is often how we learn best.

Year 6 – 12 Reports will be released via SEQTA on the last day of Term 3, Friday 9 April 2021.

Ms Jo Surman

DIRECTOR OF TEACHING & LEARNING

GROWTH MINDSET

"Our greatest glory is not in never falling but in rising every time we fall."

~ Confucius

Thomas Edison's teachers said he would never learn anything! He was fired from his first two jobs for being "non-productive." As an inventor, Edison made 1,000 unsuccessful attempts at inventing the light bulb. When a reporter asked, "How did it feel to fail 1,000 times?" Edison replied, "I didn't fail 1,000 times. The light bulb was an invention with 1,000 steps."

It is valuable to know how to handle mistakes. Staying calm is important. A calm body helps a brain think and solve problems. If students can apply a Growth Mindset and remain calm when grappling with a mistake, it helps them think well and solve problems efficiently and effectively. How we react to mistakes will affect how our students react. Can we be mindful to approach mistakes with calmness and a positive Growth Mindset, with a willingness to embrace a challenge? That way like Thomas Edison, we can all learn from our mistakes.

(Adapted from 'The New Social Story Book' by Carol Grey)

TUCK SHOP SPECIALS

EVERY WEDNESDAY | ALL \$7.00

WK 7: Baked Potato

- A. Cheese, Coleslaw, Pineapple & Sour Cream
- B. Bolognese, Coleslaw, Cheese & Sour Cream
- C. Bacon, Coleslaw, Cheese & Sour Cream

WK 8: Pasta Carbonara

WK 9: Butter Chicken with Basmati Rice

WK 10: Roast Pumpkin & Fetta Pasta

WK 11: Lamb Yiros

HEATING FOOD IN THE TUCKSHOP NO LONGER PERMITTED

As of Week 6 there will be no microwaves available for student use at the College Tuckshop. Unfortunately, there have been several safety concerns and near misses.

Instead, students are encouraged to bring hot food in a thermos. There are many good thermos options now on the market, which was not previously the case.

Please also be aware that Staff in the Tuckshop are unable to heat food up for students. This is in compliance with the Food Safety Act.

Hot food is available from the Tuckshop for purchase and this meets all food safety requirements.

Please click here to see the Menu.

**FIELD DAY**

Wednesday 24 February 2021

THANK YOU FROM THE PARENTS AND FRIENDS

We are so thankful Sports Day was able to be held this year after last year's Sports Day being cancelled due to COVID-19 restrictions. It was wonderful to see the St Dominic's Priory College Community join together for this great community event, once again held at Sacred Heart College, Somerton Park. To the students who participated in Sports Day, it was such a great spectacle and we enjoyed watching the athletic prowess of our talented girls of St Dominic's. Congratulations to **AQUINAS** for a well-deserved win.

Whilst there was a reduced offering this year due to the timing of Sports Day and the COVID-SAFE guidelines for preparing and selling food, there was a real energy and enthusiasm from everyone who was involved.

We are grateful to all of the volunteers who assisted on the day to make it such a success. Thanks must go to the Stall Convenors, who along with their many helpers were able to provide sustenance for the community. The commitment from early bump in to erect tents for stalls and students on the oval, to preparing and cooking a delicious array of food, and those who took the long road home with the College trailer via the College, was certainly a testament to the generosity and commitment of our College community. A huge thank you, too, for our parents and businesses who donated goods for use on the day.

To our Sports Day Parent Coordinator in training, Daniel Peric, and to our Stall Convenors a huge thank you for taking up a leadership role. Your help and support, planning and organisation prior to and on the day was really appreciated. Well done everyone.

Karen Schaumloffel
COMMUNITY AND DEVELOPMENT OFFICER

PARENTS & FRIENDS
Thank You

WE THANK:

Mark Hawkins, Scott Coombe and Louise Carlier
- BBQ, Bacon and Eggs, and cool room & BBQ trailer transport

Kate Jensen, Cathy Haddad and Jacqui Griffin - Cakes
Sarah Hall – Drinks

Wendy Luc – Vietnamese Stall

Libby Suter and Daniel Peric – Ice Creams

Michael Rapisarda – College Trailer transport

Maria Lappas – Dining area and general stall support

Coffee Van was out-sourced this year.

THANK YOU TO OUR SPONSORS:

Our thanks go out to all businesses which generously donated goods and services for Sports Day. Please support the businesses who support St Dominic's.

Romeos Roodland, North Adelaide

Spring Fresh

Cool Room – Dom Viola (past SDPC family)

Fundraising - Fundraising

ARE YOU INTERESTED IN JOINING THE PARENTS & FRIENDS?

The Parents & Friends is an active group of highly dedicated parents who work to support the education of the students through involvement in community activities, and fundraising.

Through its various community events, the Parents & Friends raises funds that provide a significant contribution to projects within the College that directly benefit the students and also assist to keep tuition fees reasonable.

The Parents & Friends Community Events include:

FAMILY MASS

Sunday 7 February 2021

St Dominic's Priory College, Students and friends celebrate the beginning of the new school year with the Family Mass.

After the Mass, the Parents & Friends host a morning tea, inviting all to stay for a cuppa and a social chat.

SPORTS DAY

Sunday 28 February 2021

St Dominic's students display their sporting prowess and enjoy friendly competition between the four Houses: Aquinas, Columba, Guzman and Sienna. Sports Day is held at Sacred Heart College.

This is a family event enjoyed by all. The Parents & Friends hold various food and drink stalls throughout the day.

QUIZ NIGHT

Friday - Term 2 date TBA

The Parents & Friends Association host a fun Night in our College Hall, raising money for the College.

CHOCOLATE DRIVE

The Chocolate Drive is a delicious and financially rewarding fundraiser. A box with Cadbury chocolate is given to each family to sell. A donation instead of temptation can be chosen.

ANNUAL FETE

Sunday 31 October 2021

(Last Sunday in October)

Term 4 is reserved for the highlight of St Dominic's Priory College social and fundraising calendar. The College Fete & Auction. A family and community event; over twenty-four stalls and activities provide a wonderful arrange of colour and diversity for all ages. The Auction is a central feature of this successful fundraising event.

Meetings are held on Wednesday evenings and dates are advertised in the fortnightly newsletter. All welcome.

Come along and meet some great people and make some wonderful friends.

ARE YOU INTERESTED IN A LEADERSHIP ROLE ON THE PARENTS & FRIENDS COMMITTEE?

We are calling on nominations for the following positions on the Parents and Friends committee. Anyone wishing to nominate should fill in the slip below, **return to Front Office by 4:00pm on Friday 19 March, 2021**, as nominations will not be taken from the floor.

Listed below is a brief outline of the committee positions. If you feel you would like to be involved, please consider one of the following positions.

PRESIDENT

Convenes meetings, liaise with Principal and Development and Community Officer to ensure actions are sanctioned, maintain relationships between Principal, staff and parents. Communicates and promotes events, fundraising and friendraising opportunities to families through the College Newsletter and other forums. Supports and guides the Event/Fundraising Coordinators with Parents and Friends events. Ensure committee members are informed and given chances to contribute.

VICE PRESIDENT

Supports President by chairing meeting in President's absence, shares duties or responsibilities as agreed, being supportive and attending meetings. May have specific roles or subcommittees to be responsible for.

SECRETARY

Point of contact between meetings, link with the College Office staff, attends meetings. Prepared in advance of meeting with sorted correspondence and apologies. Records minutes and writes these up promptly and distributes to committee. Provides communication to the College community through the College Newsletter. Keeps records and collaborates with other committee members.

EVENT/FUNDRAISING SUB- COMMITTEE COORDINATORS

Coordinators are allocated to organise each sanctioned events such as Family Mass, Sports Day stalls and Fete, and fundraising activities, such as, Raffle Coordinator, Quiz Night Coordinator and Chocolate (or other) Drive. Responsibility for what has been agreed should be shared by all group members.

MEMBERS

Every parent/guardian of a child that attends the school is a member of the Parents and Friends. Community members (friends) can also be members. Members are welcome to participate in a meaningful way. They should be respectful of decisions and supportive of all activities.

Please note: In previous years the Parents and Friends decided to have an alternative model of four Co-Presidents to fulfil the roles of President, Vice President and Secretary roles, which also worked well.

PARENTS AND FRIENDS NOMINATION FORM FOR COMMITTEE POSITIONS

Please return via the Front Office to Karen Schaumloffel, Development and Community Officer by **4:00pm Friday 19 March**
Elections will take place at the next Parents and Friends Meeting

I wish to nominate [Nominee Name]:

Email Address: _____ Contact Phone: _____

Child/ren@ SDPC: _____ Year Level/s: _____

I wish to nominate to the position of:

Coordinator Roles: President: Vice President: Secretary:
Family Mass: Raffle: Sports Day: Quiz Night: Choc Drive: Fete:

Signature: _____ Date: _____

Please note: Should there be more than one nomination per position, an election will take place at the next P&F Meeting.

Please phone Karen Schaumloffel, Development & Community Officer on 8331 5100 if you would like more information

SA SCHOOLS INDIVIDUAL SWIMMING CHAMPIONSHIPS

On Monday the 22nd of February, Grace Willmore, D'Arby Hawkins, Gabriella Wright and Bree Copeland competed in the SA Schools Individual Championships. All girls swam extremely well and some PB's were achieved. Congratulations girls!

I encourage other swimmers in the school to participate next year.

**Mrs Lyndal Pratt
SPORTS COORDINATOR**

ADELAIDE INTERNATIONAL

On Tuesday 23 February, the Year 6 Class were fortunate to be invited to attend an educational excursion to the Adelaide International WTA 500. This tournament was hosted by Tennis SA at Memorial Drive and featured many of the top 30 female players in the world. The day commenced with free play in the Kid's Zone where the girls had a hit of tennis on Hot Shot courts and tested out the speed and accuracy of their serve. We were then taken on a tour and watched many of the players warm up, spoke to Sandon Stolle who is the head of the National Academy here in Adelaide and visited Court management to look at the behind the scenes running of the tournament. The students then watched the opening round of the tournament between the Number 6 Seed from Russia and her opponent from Croatia. Josephine was selected to toss the coin for the players. A fantastic morning was had by all involved.

SA SCHOOLS SPORTS TRIATHLON

On Wednesday 17 February, we competed in SA Schools Sports Triathlon in a team event. Though the weather was a hot 37 degrees and we were very nervous. We had so much fun, and placed fourth.

It was something different and was so good to attend. Many schools were there with multiple teams and we hope to encourage some other students in the school to participate next year. You may wish to participate in the whole triathlon as an individual or you can get a swimmer, runner and biker, like we did to compete as a team.

Erynn Merritt, D'Arby Hawkins and Jasmine Stewart

PRIMARY FIELD DAY AND TRACK TRIALS

On Friday 19 February, the Years 3-6 students participated in Field events at school, gaining valuable points for their houses in the lead up to Sports day. The girls competed in Shot Put, Discus, High Jump and Long Jump. The students are to be commended on their team spirit, sportsmanship and support and encouragement of each other.

On Wednesday 24 February, 95 Year 3-6 students attended the heats of the 100m and 200m and finals of the 400m event at SANTOS. The 100 and 200m time trials determine the athletes who will compete in the final on sports day on Sunday as well as determining the House relay teams. It was fantastic to see so many students putting their hands up to trial and most importantly exhibiting a growth mindset. Well done to all athletes.

**Mrs Michelle Richter

*Main duties: serving students (no exp. needed)
Some stock filling / rotation and packing lunch orders
We would greatly appreciate any parents or grandparents who would be able to help.*

Contact Michelle Macri: 8239 2344

ATTN: PARENTS / GUARDIANS

Have you read the Newsletter? Please let your daughter/s class teacher know via the checkbox in her College Planner
