

inspiring confidence

CONGRATULATIONS A-CHOIRED TASTE!!

First Place in Division 3
2021 SA Schools Jazz Festival

PRINCIPAL'S REPORT

Dear Families,

The short week to begin Term 2 provided staff the opportunity for an extra day of rest along with the chance to acknowledge ANZAC Day – a time of reflection, gratitude and hope. The student free day found us gathering for professional learning. The Education Support Officers (ESOs) attended a workshop presented by Leadership Coach, Julie Lines while the teaching staff examined the work of Guy Claxton on the Learner Power Approach to education. It was a worthwhile day of collegiality as we prepared for the term ahead.

Our Parent Teacher Interviews are an important opportunity to hear how your daughter is managing school life and for you to ask questions and seek clarification. I thank all parents and guardians for their commitment to this important part of school life at St Dominic's.

The term has begun with wonderful news from our Music Team. Firstly, we recognise the remarkable achievement of Teresa Kennedy in Year 8. At the recent Australian Music Examinations Board (AMEB) SA & NT Awards for 2020, Teresa was presented with the prestigious AMEB & AGSA Student Collaborative

Pianist Award. Congratulations Teresa. In addition to this, our Jazz Choir (A-Choiored Taste) debuted in the Adelaide Vocal Jazz Festival and came first in Division 3. See page five for more details.

Both achievements for our musicians are outstanding and I acknowledge their sincere hard work and persistence in their endeavours.

This term we have engaged RTG to conduct a review of ICT at St Dominic's. The review will include surveys and forums for students, parents and staff. I thank you for your support in this review as we continue to think about and plan for the future of the College.

This weekend we will celebrate Mother's Day – a day to give thanks for the women who care for us so generously. I wish all our mothers, grandmothers and mother figures a very happy day.

Our first Newsletter for the term is filled with news from across the College that I am sure you will enjoy.

Dr Helen Steele
College Principal

ST CATHERINE OF SIENA - DOMINICAN WOMAN FOR OUR TIME

Last Thursday 29 April, we celebrated the feast day of St Catherine of Siena. As patron saint of our green Siena House Team, students are often reminded of her prominence in our Dominican tradition.

Catherine challenged the societal norms and was fearless in her convictions and in *inspiring confidence* in our girls St Catherine of Siena is a great role model.

PROJECT COMPASSION

As Term 1 ended so too did the Project Compassion Appeal where students were asked to strive to 'Be More'. We are in the privileged position to report that as a school community St Dominic's Priory College raised a total of \$7624.08 that will be donated to **Caritas Australia**. Representatives of 10G were presented with the Ed Gallo Award for giving the highest amount (\$938.60) at our End of Term Assembly.

Pictured right: Year 10G SRC representatives Sarah O'Callaghan & Halena Nguyen

CELEBRATING 200 YEARS OF CATHOLIC EDUCATION

This week in South Australia we celebrate Catholic Education Week, a week with extra significance this year as we mark 200 years of Catholic Education in Australia. The first Catholic school in Australia was founded in October 1820 and since then Catholic schools have grown to become the largest provider of schooling in Australia (outside government). The theme for this milestone year is 'Faith in the future' and reflects the core purpose of Catholic education to form students in their faith and to provide an education that enables our graduates to make a meaningful contribution to the world. Throughout the year many formal celebrations will be held including a National Mass to be celebrated on the Feast of Our Lady Help of Christians on 24 May 2021.

Mrs Emma Rawlins & Miss Genevieve Taheny
RELIGIOUS EDUCATION COORDINATOR & LITURGY COORDINATOR

PRAYER

Excerpt from the National Prayer for 200 Years of Catholic Education

*As our Inspiring Spirit,
you lead us into the future.
In the century ahead grant those teaching and
learning in our schools,
those planning and leading,
and the families and community that entrust
their young people to us,
a love of learning and a willingness to be the
face of Christ
in the world of tomorrow.
Pour out your abundant blessings upon all involved
in the ministry of Catholic education. Amen.*

10W + 8W Street Art winning entries

NEWS FROM THE JUNIOR SCHOOL

YEAR 4 CLASS REPORT

During Term 1, the Year 4 Class studied the collage technique, inspired by the work of Jeannie Baker. We integrated this with our study of the Amazon Rainforest, to plan and create our own collages of the rainforests, with a particular theme or message.

My favourite part was the gluing and the animals, because it really shows the Amazon.

– Mahnaz

Next time our group would like to improve by putting more leaves in the front.

– Sophie

My favourite part is the river because the glue made it feel like water.

– Izabel

Next time I would improve by filling in the gaps in the tree trunks.

– Mai

Our group communicated extremely well. I would call our artwork 'A Glimpse out of the Window'.

– Lucy

We managed to do a lot in our second lesson.

– Helen

MOBILE MUSTER

Do good for tomorrow.
Recycle your old mobile phone today.

Last term the integrated learning focus was the tropical rainforest. Girls learned about the animals and plants, about some of the products, and the forest's importance to living things. What amazed us, was the amount of logging in the Amazon. Logging is one of the biggest threats to the forest environment. After watching a TED talk with Tophér White, the class decided to join the Mobile Muster Challenge.

Do most families have mobile phones in drawers at home that are old or broken? If yes, keep reading. The Year 4 girls have joined the 'Mobile Muster' team and will collect old phones so they can be recycled properly.

WHAT CAN BE DONATED?

All mobile phones, their batteries and accessories.

"We will show you how recycling efforts - big and small - have a lasting, positive impact on our environment."

If you have a phone at home that you wish to recycle, please email Mrs Fenton to make arrangements.

gfenton@stdominics.sa.edu.au

My favourite part is the scarlet macaw because once my group finished it I got feathers, cut them in half and stuck it on.

– Teresa

Our message would be 'Every rainforest is unique'.

– Lakshana

The collage was amazing! I mostly enjoyed the lovely waterfall because it was a mix of colour. I love this piece.

– Adele

This project was great; tiring and fun. I could have made it more realistic and not rushed the animals.

– Emily

My favourite part is the waterfall because it has lots of glitter.

– Nicole

We made a huge mess. My favourite part was having fun while doing the Art. It matched our plan so we are proud of ourselves.

– Elvie

My favourite part was when we made the bushes on top of the tree. We worked calmly and carefully but some of us were a bit bossy at times.

– Indiana

GROWTH MINDSET Learning from Your Mistakes

"A smart man makes a mistake, learns from it, and never makes that mistake again."

– Roy H. Williams (1958 -)

OWN YOUR MISTAKES

You can't learn anything from a mistake until you admit that you've made it.

RE-FRAME THE ERROR

How you view your mistakes determines the way that you react to them, and what you do. If you can re-frame your mistake as an opportunity to learn, you will motivate yourself to become more knowledgeable and resilient. Your mindset plays a significant role in how you view your mistakes and, importantly, in how you react to them. If you have a "growth" mindset, you likely see mistakes as an opportunity to improve, and not as something that you are doomed to repeat because your mindset is "fixed" on the belief.

(Adapted from mindtools.com)

NEWS FROM THE LEADERSHIP TEAM

DEPUTY PRINCIPAL'S REPORT

It is not really a matter of deciding whether to prioritise academic learning or focus on emotional wellbeing; the choice is an illusion.

Without wellbeing, there is no learning.

Source: Growththerapy World Org

Welcome to Term 2. Things are in full swing at the College, after being here for almost two weeks. Over the break, my professional reading certainly focused on the emotional wellbeing of girls in particular; and what we can do in schools to assist each girl to flourish, reach her potential and bounce back in times of adversity.

Our philosophy continues to draw on the five key areas of **The Australian Student Wellbeing Framework**. The areas of leadership, inclusion, student voice, partnerships and support are the basis of Priority 2 of the College's Strategic Plan - "Celebrating a Positive, Inclusive Environment."

Our Pastoral Care and Student Leadership Programs are always under review. This term, you will hopefully hear from your daughter/s about the many great learnings, focusing on; Leadership, Transition Programs for Year 7/2022, Identity, Student Voice and Mentoring.

- The Student Representative Council (SRC) Leaders launched their new idea at the end of term Assembly. This will see teachers dressing as students for a day, while the girls pledge to support two worthy not-for-profit organisations; **TABOO** and **The Smith Family**.
- On Friday 11 June, our complete cohort of Year 7/2022 will take part in their first of three Transition Days this year.
- Our Year 12s will be buddying Junior School students for a range of activities throughout Term 2, while our Year 11s will be Sisters to Year 7s. Just before the holiday break, the Years 11 and 7 girls engaged in a 'Getting to Know You' workshop and this term, they will meet again to prepare 250 birthing kits for kit.org.au to support women across the globe.
- Responsible Social Media Use and Child Safe Communities are also a feature of our explicitly taught programs in the Middle School. This theme is used as a vehicle to unpack 'identity'. Through lived experiences in schools, observations, literature, medical and psychological research and data, Australia is seeing a changing landscape in the ways young people connect with their peers and important adults in their lives.

Social disengagement and immersion in technology can create some multifaceted difficulties; particularly when it comes to building meaningful relationships. In an age where we are constantly available to anyone via phone, email, or social media, these encounters can and are having an adverse effect on young peoples' wellbeing; sometimes causing feelings of isolation, loneliness and depression. We will endeavour to continue being proactive at the College, however I am seeking parent support for some reflection and perhaps action in the home setting.

- Are your children sleeping 8-10 hours each night in a 'tech free' bedroom?
- Do you have agreed family practices around social media use, which apply to everyone - adults and children - in your home? (Children learn through role modelling)
- Have you agreed on some designated family times which are free of technological and other distractions (ie. meals and weekend outings)?
- Are your children engaging in healthy habits; including good relationships, balanced diets, adequate sleep and exercise, mindfulness techniques and being immersed in community (school / sports / dance clubs, church groups, etc.)?

Thank you for giving these questions your time. The hope is that you can not only answer a confident 'yes' to each of the questions, but are able to name, and articulate what healthy wellbeing looks like at a family level. You may also use these questions as a point of discussion with your daughter/s.

Ms Muriel Noujaim
DEPUTY PRINCIPAL

UNIFORM REMINDER

Is your daughter wearing her uniform correctly?

As we begin Term 2, we move to our Winter Uniform. It appears some girls have grown taller over the holiday break. I therefore draw your attention to the length of Winter Skirts needing to be below the knee. There is a generous hem that may need to be taken down.

SOME GENERAL REMINDERS

School Jumpers: are not to be worn in the street without a blazer on top and berets are a must Shoes: laces and buckles must be tied up

Sports: Sandshoes worn for sport should be predominantly white in colour.

Fawn Socks or stockings: Socks pulled up and stockings should be grey in colour

Hair: Simple and neat. If hair is above shoulder length, it should be tied back with the appropriate navy or black ribbon/ scrunchie. White or patterned hair accessories are not permitted.

Earrings: A stud may be worn only in each ear lobe. No other piercings are permitted.

Jewellery, Cosmetics and Acrylic Nails: Not permitted, with the exception of a watch and signet ring.

Thank you for your support in helping us maintain the appearance of the College Uniform, that continues to be worn with pride by students.

CONGRATULATIONS TERESA!

We are proud to share the news that Teresa Kennedy in Year 8 was recently presented with the AMEB & AGSA Student Collaborative Pianist Award at the Australian Music Examinations Board (AMEB) SA & NT Awards for 2020.

Pictured above is Teresa at Elder Hall, being presented with her award by Leonie Hempton OAM on behalf of The Accompanists' Guild of South Australia Inc. (AGSA) and AMEB SA & NT.

Congratulations, Teresa on this remarkable achievement!

For more information about AMEB programs and awards, visit www.ameb.edu.au

NEWS FROM TEACHING & LEARNING

MULTI-ARTS FACULTY REPORT

The Multi-Arts Faculty, which comprises of Visual Art, Drama and Music has had a vibrant and enriching start to 2021. Each Multi-Arts subject has a distinct focus on knowledge, understanding and skills relevant to each area, and reflects different approaches to arts practices, as well as critical and creative thinking. The curriculum for each subject examines past, current and emerging arts practices across a range of cultures and places.

Seeing live performances is an integral part of studying Drama and Music at SACE level. SACE Drama students had the opportunity to see **Yve Blake's 'Fangirls'** during the Adelaide Festival last term. It is an Australian musical that explores the power of fandom and friendship through high energy choreography and pop songs. This performance and the crowd interaction was fundamental in aiding the Stage 2 students in their Creative Presentation based on the structural and dramatic techniques seen in Tim Burton's work.

Our Senior Music students had the pleasure of experiencing two world-renowned guitarists performing original works in one of Australia's best modern concert hall acoustics, the **Ukaria Cultural Centre**. Slava and Leonard Grigoryan impressed our students with their technical skill and professionalism. The experience of attending a professional music concert was a first for many. For each of them, it was an immersion into the world of contemporary classical composition.

MULTI-ARTS CO-CURRICULA NEWS

ENVIRONMENT CLUB + ART CLUB

In Term 1 the Environment Club joined with the Art Club to learn hand sewing mending techniques. The Environment Club has made a concerted effort to tackle food waste, and this year is including the mending of fashion as an alternative to new clothing purchases. It has provided wonderful leadership opportunities to students who already are proficient hand sewers to teach other students these techniques.

2021 COLLEGE MUSICAL PRODUCTION

Finally, the rehearsals for the musical production of *Aladdin* are well and truly in full swing with a successful full day holiday rehearsal for all offstage and onstage crew members. There has been fantastic student leadership amongst Dance Captains and Offstage Crew members. *Aladdin* will be showing in Week 10 this term, look out for more details on show times and ticket bookings in the next few weeks.

The newly formed Year 7-12 Jazz Choir participated for the first time in the **SA Schools Jazz Festival**. The group is comprised of some new performers and some experienced, who have worked extensively on cohesion last term with their conductor, Ms Stephanie Neale.

We congratulate A-Choiored Taste on their outstanding debut performance in this Festival. The choir not only came away with first place in their division, but also scored the highest score across all three divisions and were the only Catholic school to place in the Top 3 throughout the Festival. Criteria for marking included:

- **BASIC SKILLS** - accuracy of intonation and rhythm
- **ENSEMBLE** - balance and blend
- **STYLISTIC CHOICES** - phrasing and feel
- **MUSICIANSHIP CHOICES** - dynamics and articulation
- **PRESENTATION** - engagement and communication

Ms Annelise Johnson
MULTI-ARTS COORDINATOR

TERM 2 SRC FUNDRAISER

As students heard at last Term's Assembly, this term we will be raising money for **TABOO** and **The Smith Family**

"TABOO is a brand of menstrual health products that uses 100% of its profits to fund sanitary care and education programs."

"The Smith Family is an independent children's charity helping disadvantaged Australian children to get the most out of their education."

Starting from now through to Week 5, SRCs at each year level will be hosting a fundraising activity to raise money and have some fun! In Week 6, we will look to have our teachers dress up as students for a day.

WEEK 2: Thursday 6 and Friday 7 May, there will be a movie fundraiser run by the Year 7s at lunch in the Hall.

WEEK 3: Our Year 8 SRCs will run a spider stall on Thursday, 13 May at lunch in front of the Hall.

WEEK 4: Our Year 10 SRCs will run a Bake Stall (date to be advised).

WEEK 5: Our Year 11s have a 'Just Dance' activity planned in the Hall.

We are asking students to dig deep during Class Period to support these charities, and to also get involved in our many events.

From these fundraising activities, we will not only have a fun time and eat some treats along the way, but a group of teachers will be students for a day (Week 6).

Each time we reach \$500 as a school, the SRCs will reveal which teacher will be dressing up in school uniforms.

NEWS FROM THE SECONDARY SCHOOL

YEAR 12 NEWS

WHAT IS FUTURING?

“Futuring’ allows us to imagine possible outcomes with the hope of exploring, better sensing and equipping ourselves for the potential realities ahead of us.”

- Tony Ryan, noted Australian educationalist

It is with FUTURING in mind that the Year 12 teachers and Pastoral Care team at St Dominic's Priory College frame the learning engaged in by our most senior students. And this extends beyond the important but narrow measure an ATAR represents. We also value experiences and skills that are not recorded in spreadsheets; empathy, grit and creativity to name a few. We subscribe to Guy Claxton's mantra that as a school we value both the **markable** work and the **remarkable** actions observed in our students.

PASTORAL CARE

In 2021 we are engaging in a number of new initiatives in the Pastoral Care program, a key driver of this has been the doubling of Pastoral Care time with the girls. Below is a summary of some of the Pastoral Care themes for Term 2.

YEAR 12 – JUNIOR PRIMARY INTERACTIONS

Beginning this week, a series of interactions between the Year 12 girls and those in the junior primary school will begin. There is strong evidence that cross age tutoring can be mutually beneficial on a number of levels. The plan is for each Year 12 girl to be matched up with one or two of the junior primary students, and over the course of the year for them to have around seven sessions together. The focus of the interactions could be on academic support, artistic endeavours, physical movement or maybe just a good chat. The aim is for a genuine relationship to be formed, further fostering the sense of community we cherish so dearly at St Dominic's.

THE PSYCHOLOGY OF LEARNING

Our Educational Psychologist from developingminds.net.au will deliver the second of three seminars with our Year 12s, with the focus being on the psychology of managing tests, exams and other pressure situations. Anxiety itself is a normal stress response to exam scenarios and properly managed can in fact elevate student performance.

JOBS FOR THE FUTURE PRESENTATION

In Week 8, representatives from the University of Adelaide will explore what the future of employment and the skills most valued by employers might look like. This is perfectly timed as early Term 3 is when attention turns to post school options, including but not limited to tertiary study course selections and university campus visits.

FINANCIAL LITERACY

Many of our Year 12 girls hold down part time employment, so in Week 10, representatives from Rise High Financial Solutions will conduct a seminar aiming to arm our Year 12s with awareness around financial considerations over and above 'how much can I spend?' Themes that will be covered include:

- Understanding and managing debt (credit cards, afterpay, phone contracts, HECS debts)
- Credit ratings
- Understanding Superannuation (it's never too early to invest in your future)

As I close, whether you are in frequent contact with your daughter's teachers or have never rung the school once in your time as a parent here, your contact is both welcomed and encouraged.

JOIN THE PARENTS & FRIENDS

Today

PARENTS & FRIENDS

The next Parents & Friends Meeting will be held:
Thursday 13 May
6:30pm in the
Conway Library

Marni and Daniel, the new Co-Presidents of the Parents and Friends, look forward to welcoming parents/guardians at the next meeting (details above). Please RSVP your attendance to: kschaumloffel@stdominics.sa.edu.au

In this issue of the College Newsletter, Daniel would like to share a little about himself and his vision for the Parents and Friends.

My name is Daniel Peric and I would like to take this opportunity to introduce myself. My daughter Eleanor is in Year 1 this year, so I am still very new. I work full time as a Project Supervisor and Apprentice Coordinator for a large industrial automation company. I have worked at the same company for 17 years, seeing it grow from 10 employees to the 55 we have today.

The decision to become part of the Parents & Friends as Co-President was an easy one for me. Like most parents - especially those who work away, or on shift work, or work full time (or more than full time) - I felt disconnected from Eleanor in regard to her school life. As I am unable to be there for school drop off or pick up, I rarely have the opportunity to meet other parents or the girls Eleanor talks about.

Raising my two girls to grow into responsible young women is very important to me, and I hold high respect for good mental health, wellbeing and resilience. I believe everyone around our daughters; including other children, the teachers and parents, help to make this a reality. So, with the help of Marni and the Parents & Friends Subcommittee, I will endeavour to build and strengthen the St Dom's Community - or, as I call it, the St Dom's Family.

Our first step is to offer a nice open forum where parents can email, or chat in person to us to raise any creative ideas, issues and/or future wishes for the College and Parents & Friends events. There is no need to wait for an official meeting, so I encourage you to make contact directly: **0433 299 405**

Events for this term include the **Chocolate Drive** and the **Quiz Night**, so please support us in our fundraising efforts. We hope to share future events, including the College Fete, in coming issues of the College Newsletter.

Thank you for taking the time to read my introduction and hope to speak to you soon. We will be counting on your help in the coming weeks as we call for volunteers, and look forward to seeing many of you at the next meeting. Please come and say 'hello'!
