Junior School Twilight Assembly | Wednesday 17 November 2021

Dear Families,

The announcement from the Government of South Australia this week in regards to COVID Vaccinations was not unanticipated. As we have kept our eye closely on the November 23 date, South Australians have been astutely aware that life will change, expectations will vary and rules will have an impact. The College will continue to manage the COVID situation following SA Health and Government guidelines – we will do so with care, compassion and understanding. We are committed to keeping our community safe and we have a strong desire to run school as normally as possible. The holiday break will provide the time required to assess, evaluate and take action accordingly. In the meantime, College life continues, as we enjoy the beautiful and fun end of the school year.

THE COLLEGE UNIFORM

The St Dominic's Priory College school uniform is a smart and well known uniform in Adelaide and our girls wear it with pride. Our colours of French navy, grey, black and white are much loved by us all. There are no plans to change the colours of the school uniform. We will be introducing a new Saturday Morning Sport uniform suite in 2021 which will reflect the current colours of the College i.e.; Black White and Grey.

TWILIGHT ASSEMBLY

Our Twilight Assembly was spectacular. The stage and lighting were set for the likes of U2, Beyoncé or Taylor Swift. The audience was not disappointed when, instead, their own daughters took to the stage with all the drama and etiquette of fine thespians and performers. It was a showcase of fun, that reflected the primary student's commitments to hard work, teamwork and quality work. I thank all the Primary Staff for their commitment to ensuring this night was celebrated in style. Congratulations to Anna Sordillo for her outstanding leadership towards this outstanding event. Primary families might remember that last year we could not have an audience providing a recorded version for families to share at home.

YEAR 12 GRADUATION BALL

On Monday, we are looking forward to the St Dominic's Priory College Year 12 Graduation Ball. We are especially grateful that we can host this event and look forward to celebrating with families. We offer thanks for the graduating class of 2021 acknowledging achievements, hurdles and success. There is much to look forward to for this cohort who have delighted us with their strong sense of social justice, their determination to achieve excellence and their bright friendly manner. I look forward to seeing Year 12 students and their families on Monday.

Dr Helen Steele

College Principal

*** 2022 Key Dates included on page 2 ***

COVID-19 UPDATE

You may have seen in the media the recent SA Government Direction concerning COVID-19 vaccinations for staff in schools and Early Childhood Education Care settings.

St Dominic's Priory College has acted quickly to inform staff of these new requirements. It has been our previous position that for the safety of students and the community, those who are eligible, ought to be vaccinated where possible.

The SA Government Direction now specifies that staff in all schools and education and care settings must have had at least one dose of a COVID-19 vaccination by 10 December 2021 and show evidence of a booking for their second dose.

The Direction also extends to volunteers and any unpaid workers.

It does *not* apply to students and parents who are incidental visitors to the school.

You would appreciate that the 2-year journey we have experienced in dealing with the pandemic has resulted in numerous strategies and compliance measures implemented for the safety of students, families and staff.

Throughout the pandemic we have been absolutely lock-step in following the advice of the SA Chief Public Health Officer as it relates to the schooling sector. The Catholic Education Office has strong direct liaison with the SA Department for Education which has meant that each sector has been remarkably consistent in the messaging over health measures adopted at school sites.

We will continue to monitor and act upon any relevant advice and make staff aware of this new government law.

If more information comes to hand that has an impact on the wider St Dominic's community, the College will keep you informed.

If you are volunteer in our community, please contact the College to find out how you might supply the necessary information to be compliant with this Government Direction.

PRAYER & LITURGY

ADELAIDE DIOCESAN ASSEMBLY

Within the space of a month, three significant events have happened within the Adelaide Catholic community. A Diocesan Assembly, held at Cabra Dominican College in September, was an opportunity for the people from all over the Adelaide Diocese to gather to discern the issues confronting the church today and provided an opportunity for open discussion of the kind of church we wish to see in Australia today.

Sr Hieu and I represented St Dominic's Priory College.

PLENARY COUNCIL

Then the first session of the Fifth Plenary Council of the Church in Australia began after a long COVID postponement. A number of South Australian Catholics from parishes, Catholic Social services, Health and Education sectors were involved in online discussion about the issues and challenges that face our church today.

Francis Sullivan, Chair of Catholic Social Services said in a recent blog:

"I have left the First Assembly of the Plenary Council optimistic that change is coming. What that looks like is unclear but plenty of balls have been tossed in the air. Resolutions have been crafted somewhat hastily but the Show is moving and the collective imagination has been ignited".

It is the hope that we truly become the kind of church that Pope Francis desires where we make a shift from a propositional stance to one of mission. A church that shows authentic mercy and compassion to all.

This will no doubt be on the table at the beginning phase of the next Synod of Bishops to be held in 2023 on synodality - which literally means journeying together as pilgrims in the midst of the world.

Adelaide Diocesan Youth Assembly
21 NOVEMBER 2021 • NAZARETH COLLEGE FINDON

ADELAIDE DIOCESAN YOUTH ASSEMBLY

Originally planned to be held in the lead up to September's Diocesan Assembly but postponed due to COVID restrictions, the Adelaide Diocesan Youth Assembly 21 event is expected to be attended by up to 200 young people from regional and metropolitan parishes this weekend.

To be held at the Nazareth College Findon Campus, it is the first youth assembly organised in the Archdiocese since the 1980s and will be a wonderful opportunity for young people to hear the issues raised by the Australian church and to have their own voices heard.

Miss Genevieve Taheny

Listen to what the Spirit is saying...

PRAYER

Loving God,

Fill the hearts of young people with the hope and love of Jesus Christ. Stir within young people an awareness of God's call. Enliven our communities with the creativity, energy and joy of youth. And then guide us together as we strive to find our place and raise our voices to build a civilisation of love.

AMEN

NEWS FROM JUNIOR SCHOOL

YEAR 6 CLASS TEACHER REPORT

Term 4 is a very busy term for Year 6 students commencing with an action-packed camp at El Shaddai and culminating with their graduation from the primary school. It is also a special time as students begin building connections with new classmates who will be joining the St Dominic's community in 2022. It is a time to celebrate the people in our lives and learn how to open ourselves up to new possibilities in the future.

Mrs Belinda Baker & Mrs Michelle Richter
YEAR 6 CLASS TEACHERS

STUDENT REFLECTIONS

My favourite times in primary include my first day of school even though I couldn't find the friends that I had made during transition. Eventually my friends found me. I have enjoyed forming new friendships and socialising with people. I learnt many new skills and techniques in English, Math and other subjects. Primary school will be one of my biggest memories and it has been the best!

– **Isabella Michail**

My favourite primary years were Year 2, 3 and 6. Year 2 was really fun especially Antarctica Day when we got to watch a movie and dress up really warm. Also, in that year we learnt how to ride our bikes and rode around the court. My favourite Year 3 memory was when Mrs Pliotto's husband and daughter came in to teach us karate. Year 6 is also my favourite year because it has been fun and chaotic especially with my class. Next year I am looking forward to meeting new people and expanding my friendship group.

– **Kathy Le**

I am looking forward to meeting new teachers when I move across to the secondary school. – **Gabrielle Sinton**

I am excited about new leadership opportunities in a new environment. – **Faridah Gandhi**

I am looking forward to meeting new friends and expanding friendships. – **Alannah Zollo**

Accomplish BIG Things With a
GROWTH MINDSET!
Success Begins With Believing You Can

Instead of Thinking...	Think This...
I can't do it.	I'm still learning. I'll keep trying!
I'm not good at this.	What can I learn to get better at this?
It's good enough.	Is this the best I can do?
It's too hard.	With more practice it will get easier!
I'm afraid of making a mistake.	Mistakes are how I learn & get better!
They are better at it than I am.	What can I learn from them?
I don't know how.	I can learn how!
I can't make this any better.	I can always find ways to improve!
I don't like challenges.	Challenges make me better!
I give up.	I'll try a different way!

NEWS FROM LEADERSHIP

DIRECTOR OF TEACHING & LEARNING

TERM 4 IN REVIEW

It may be the shortest term in the school year, however it is no less busy. There is still much going on and staff are working full steam ahead continuing to provide our students with a variety of excellent learning experiences. This includes incursions and excursions, which enrich our girls' educational experience by involving them in real-life applications of their learning in the classroom. Just in the first four weeks of this term, students have been involved in:

- + Year 11 Mathematics workshop at Flinders Uni
- + Year 10 Geography Adelaide Coastal Excursion
- + Year 10 Photography - Zoo Excursion
- + Year 9 Create Inspire day
- + Year 10 Architecture & Product Design INGENUITY 2021 STEM Project Expo
- + Year 11 Italian class viewed the film *10 Giorni con Babbo Natale* at the Palace Nova
- + Year 11 Essential English Visit to Monarto Zoo
- + Year 7 English excursion – Once Upon a Time
- + Year 10 Geography Kangaroo Island 2-day camp
- + Year 7, 8 and 9 Middle School Swimming Carnival
- + Year 10 Science Hallett Cove Geological Trail excursion
- + Year 8 Retreat

YEARS 10 - 12 EXAMINATIONS

Year 12 students completed their examinations last week and Year 10 and 11 examinations come to a close this Friday. Examinations can be a nervous time, particularly in high stakes situations. Some of our students were quite anxious about their examinations. To support students, their teachers explained to them that a certain level of examination anxiety is a normal response and some degree of nervous energy and tension is generally required to motivate us to study for, and complete examinations and perform well – it is important to remember examination anxiety is not all bad. Students took this advice in their stride and to their credit, pushed through the nerves.

Examination performance is also a good indication about how suited students are to subjects with an examination component. If a student is not recommended by a teacher to do a particular subject the following year, this recommendation is made in the best interest of the student. St Dominic's staff know our girls and what subjects they are suited to. If you would like to discuss your daughter's subject for 2022 you are welcome to ring me at the College.

Semester 2 Reports released via SEQTA Monday 6 December.

Ms Jo Surman
DIRECTOR OF TEACHING & LEARNING

GROWTH MINDSET

Reframing your Thinking

What sort of things do you say to yourself when you are learning something new?

Your self-talk can have a much greater impact on the way you see yourself than you may realise. Self-talk can be positive or negative – and paying attention to which you most often sway towards, can help you start making proactive changes about how you take on life's challenges.

Preparing for
2022

**BOOKLIST ORDERING INFORMATION
FOR 2022 SCHOOL YEAR
HAS BEEN EMAILED TO ALL FAMILIES**

Instructions for ordering books and stationery for 2022 has been emailed to all families. Please check your spam / junk folders if not received, or else retrieve instructions via [SEQTA Engage](#) or [online here](#). Online ordering commenced on **Monday 15 November** and will close **Friday 17 December 2021**.

The purchase of student books and stationery will be a transaction between your family and Lighthouse Books and all queries should be directed to Lighthouse Books on **8340 2356** or booklist@lighthousebooks.com.au

To ensure students are ready for the new school year please order books and stationery by the due date given by Lighthouse. Due to ongoing delivery delays, Lighthouse can not guarantee late orders will be ready for the start of school.

**SECOND-HAND BOOK SALE
TUESDAY 30 NOVEMBER 2021**

Year 10s and 11s should do their ordering after the Second-hand book sale on **Tuesday 30 November**.

Lighthouse staff will be available at a nominated time in Week 2 Term 1 2022 to process any returns.

YEAR 8 RETREAT

On Friday 5 November, the Year 8 students gathered together at Bethany Centre in the Mary Mackillop precinct in Kensington to participate in their annual retreat. Students were given the opportunity to take a break from their busy school life and reflect on how their actions can affect others. We explored the concept of the 'Ripple Effect' and acknowledged the fact that our actions can have far reaching consequences, sometimes much further than intended. Students participated in group challenges, personal reflection and a craft activity at the end of the day. It was a very successful day and the Year 8 cohort should be congratulated for the energetic and positive approach.

This was the final student retreat for the year. We have been lucky enough to host a retreat for each of the Secondary year levels throughout 2021. Students have approached each retreat with positivity and have participated with maturity and a willingness to explore themselves and their faith. The Religion faculty looks forward to continue working with the students on similar days in 2022.

Mrs Emma Rawlins
RELIGIOUS EDUCATION COORDINATOR

**YEAR 10 - A GUIDE TO OBTAINING YOUR DRIVER'S LICENCE
ROAD SAFETY SESSION**

The SA Police Road Safety Centre is a leader in road safety education and contributes to a reduction in the frequency and severity of road trauma in South Australia.

Recently the Year 10 cohort took part in a Year 10 – A Guide To Obtaining Your Driver's Licence Road Safety Session. Despite steady falls in the lives lost on South Australia's roads over the past decade, young drivers continue to be over-represented in road trauma statistics. Obtaining a licence is a very exciting time for young drivers and it is important they are aware of licence conditions and safe driving practices.

The session provided students with information about: the graduated licensing scheme and the conditions associated with a learner's permit; the Fatal Five causes of road trauma in South Australia; risk-taking behaviour; peer group pressure, passenger safety and the consequences of making poor choices on the road. Further information about these road safety topics can be viewed at

www.police.sa.gov.au/your-safety/road-safety/road-safety-resources

We ask all parents/guardians take the time to talk to their children about road safety. It is important parents/guardians are good road safety role models and we encourage

you to discuss with your child what they learnt from the road safety session.

A MESSAGE FROM THE YEAR 12 COORDINATOR

CELEBRATING THE END OF YEAR 12 ASSESSMENTS

Last Friday saw the completion of final SACE examinations and assignments for our Year 12 students. I commend not only the girls, but also my colleagues across all year levels of the entire school who have worked diligently to prepare the students for these final assessments.

Now that the 'work' of Year 12 has been done, there are the final events of celebration and acknowledgement to look forward to in the form of a the much-anticipated Graduation Ball. Graduation Waltz rehearsals are underway under the tutelage of staff member Jessica Spagnuolo. Jessica has had the torch passed to her by Colleen McEwen, a long serving staff member who retired in 2012 yet continued serving the school by preparing the graduates for the Graduation Ball. Colleen expertly performed this role for well over 30 years; she will always be a part of the St Dom's story.

WHAT'S NEXT...

SACE results are released on Monday December 13 and the first round of university offers will be emailed to students by 5pm on December 21. Perhaps a nervous time for our girls who carry with them their ambitions for the future, underpinned by up to 13 years of Dominican education and the values we hold dear.

I am always mindful of the support networks of our students, including parents, guardians, grandparents, relatives and friends. They ride every bump with their daughters, they share the anxiety and the elation. These celebrations are very much for them as well.

So what can my parting message be to the class of 2021?

Firstly, I'd like to reiterate my mantra, I never view you as an 'A' or a 'B' or an ATAR, I see a young woman with promise, a young woman ready to take the next step in life along her chosen path.

Remember, what **you** say **matters**.

What **you** feel **matters**.

But what you **do** matters most of all.

THAT is your legacy, that is how you are remembered.

So school has finished! And even though the girls have waited 13 years for this moment, the thought may still give *some* a sense of apprehension, who wants to peak at high school anyway?

This much I know. Long after leaving St Dom's each girl will **still** remember the colour and name of their Sports Day house: red, gold, green, blue.

They too, will remember the qualities behind those cherished Dominican house names:

- Remember the vision and courage of Sr Rose **COLUMBA**
- Remember the thirst for knowledge of Thomas **AQUINAS**
- Remember the persistence in learning of Catherine of **SIENA**
- Remember the appetite for truth of Dominic de **GUZMAN**

- Leave St Dominic's with optimism and confidence
- Leave St Dominic's with ambition and a healthy sense of adventure

Yr 12s, you leave, with our blessing.
Farewell to the Class of 2021.

Mr Greg Larwood
YEAR 12 COORDINATOR

STUDENT COMMENTS

Getting to do fieldwork was fun, having first-hand experience and also getting exercise from walking along the beaches. Seeing how management strategies were done on Kangaroo Island compared to Adelaide was interesting and it definitely will help with the assignment. - **Annabelle Apolloni**

I mostly enjoyed visiting the Honey Farm because that gave me the opportunity to try honey flavoured ice-cream. It was definitely worth trying! - **Lauren Hoang**

I enjoyed napping on the bus, walking in the rain, seeing the blue water at the beaches, walking along the coast lines. - **Isabella Cornish**

It was a great opportunity for us to apply our knowledge on coastal management strategies. We were able to visit most of the tourism attractions within the two days and the food provided was beyond our expectations. Our accommodation was homely and comfortable; perfect for a relaxing evening after a long day with friends. - **Namreen Jummin + Thinesa Jayalath**

My favourite beach was Seal Bay, because the seals were really cute and rather fascinating to watch. Apart from the animals, the island had beautiful beaches and views. If I had a chance to go there again, I would definitely go. - **Elsa Sabu**

I liked visiting the beaches since it was very different from the ones in Adelaide. - **Thi Nguyen**

I liked sliding down the sand dunes at Little Sahara and exploring Stokes Bay, as we were all surprised that there was a hidden beach amongst the rocks. - **Halena Nguyen**

I enjoyed Kangaroo Island, especially spending time with my friends at Remarkable Rocks and playing games in the dorms. - **Sufiya Dhanji**

I enjoyed exploring Stokes Bay. The hidden destination made it feel surreal and the view on the other side was beautiful with crystal clear water. - **Maia Blagdan**

YEAR 10 KANGAROO ISLAND FIELD TRIP

The trip to Kangaroo Island (KI) is an eagerly anticipated field trip as part of the Year 10 Geography Curriculum. It is a time for students to apply their learning and develop new fieldwork skills. The KI Field Trip centres around the idea of whether humans have ruined the Adelaide Metropolitan coastline. In order for the students to make their decision, they undertake a field trip along the Adelaide metropolitan coastline

and then one to Kangaroo Island. Amongst the numerous learning opportunities there is also time for fun and developing friendships. Published here is what some of the students had to say about the Kangaroo Island Field Trip.

NEWS FROM THE
SPORTS DEPARTMENT

SACPSSA ATHLETICS CARNIVAL

On Monday 1 November, 20 students from Years 3-6 attended the SACPSSA Athletics Carnival at SA Athletics Stadium, competing in Section 2. The weather was very kind to us and the girls had a fabulous day. Results on the day included:

- Mali Walters – 1st Year 5 100m, 200m, Hurdles, Long jump and Shot Put
- Amy Le- 1st Year 5 800, 3rd High Jump and 100m
- Aliya Walters – 1st Year 3 100m, 2nd 200m
- Rose Calabria – 1st Year 4 100m, 2nd Long Jump, 3rd 200m
- Emilia Rodrigues Puopolo 2nd Year 3 100m
- Eliza Donnellan- 4th 100m
- Mya Chhoy 3rd Year 5 100m
- Catherine Mackay – 2nd Year 4 800m, 3rd 200m and 100m
- 3rd Year 3 Relay - Aliya Walters, Jayli Cooray, Nimah Gandhi and Emilia Rodrigues Puopolo
- 3rd Year 5 Relay - Mali Walters, Vi Anh Truong, Amy Le and Eliza Donnellan

A special congratulations to Mali Walters (top left) who broke three records on the day in the 100m, 200m and Hurdles and was the Year 5 individual age champion.

Congratulations also to the Year 5 team who won the pennant for Year 5 age champions. Well done to all girls.

TENNIS NEWS

We wish the best of luck to our Year 3/4 Hot Shot Tennis players, (pictured above) who will now go on to play in the State Carnival on Wednesday 24 November.

Congratulations also to Ava Chhoy in Year 6 (pictured right), who recently represented North Adelaide in the SAPSASA Tennis State Championships.
